The commission shall complete this investigation within six months of July 10, 1990.

209.255. 1. The commission shall establish a rate recovery mechanism to recover the costs of implementing and maintaining the **dual-party relay** program provided for in section 209.253, which shall be applied to each basic telephone access line. **A rate recovery mechanism, in an amount equal to sixty-five percent rounded to the nearest whole cent of the dual-party relay rate recovery surcharge, shall be established to recover the costs of implementing and maintaining the statewide telecommunications equipment distribution program provided for in section 209.253, which shall also be applied to each basic telephone access line.**

The local exchange telephone company shall not be liable for any uncollected [surcharge] **surcharges**, nor shall it have any obligation to initiate any action to enforce the collection of the [surcharge] **surcharges**.

3. **The state treasurer shall credit such equipment distribution program payments to a special fund, which is hereby created, to be known as the "Equipment Distribution Program Fund" which shall be devoted solely to the payment of the expenditures actually incurred in operation of the statewide equipment distribution program authorized by section 209.253, including expenses associated with the administration of the statewide equipment distribution program or incurred by members of any advisory committee appointed by the Missouri assistive technology advisory council to help it administer the statewide equipment distribution program authorized by section 209.253.**

4. Any unexpended balance in the **deaf relay service** fund at the end of the fiscal year shall be exempt from the provisions of section 33.080, RSMo, relating to the transfer of unexpended balances to the general revenue fund, but shall be applicable by appropriation of the general assembly to the payment of expenditures for the dual-party relay service [and equipment distribution program] in the succeeding fiscal year.

5. Any unexpended balance in the equipment distribution fund at the end of each fiscal year shall be exempt from the provisions of section 33.080, RSMo, related to the transfer of unexpended balances to the general revenue fund, but shall be applicable by appropriation of the general assembly to the payment of expenditures for the equipment distribution program in the succeeding fiscal year.

209.259. From the date of implementing the deaf relay service [and equipment distribution] fund surcharge, the commission shall review such surcharge no less frequently than every two years but no more than annually and shall order changes in the amount of the surcharge as necessary to assure available funds for the provision of the [program] **deaf relay service** established in section 209.253. Concurrent with the review of the surcharge, the commission shall review the percentage deducted and retained by the local exchange telephone company provided in section 209.257 and if necessary shall order adjustments to the percentage to assure a just and reasonable compensation to the local exchange telephone company. Where the review of the surcharge determines that excess funds are available, the commission may order the suspension of the deaf relay service [and equipment distribution program] fund surcharge for a period which the commission deems appropriate.".

"135.100. As used in sections 135.100 to 135.150 the following terms shall mean:

(1) "Commencement of commercial operations" shall be deemed to occur during the first taxable year for which the new business facility is first available for use by the taxpayer, or first capable of being used by the taxpayer, in the revenue producing enterprise in which the taxpayer intends to use the new business facility;

(2) "Existing business facility", any facility in this state which was employed by the taxpayer claiming the credit in the operation of a revenue producing enterprise immediately prior to an expansion, acquisition, addition, or replacement;

(3) "Facility", any building used as a revenue producing enterprise located within the state, including the land on which the facility is located and all machinery, equipment and other real and depreciable tangible personal property acquired for use at and located at or within such facility and used in connection with the operation of such facility;

(4) "New business facility", a facility which satisfies the following requirements:

(a) Such facility is employed by the taxpayer in the operation of a revenue producing enterprise. Such facility shall not be considered a new business facility in the hands of the taxpayer if the taxpayer's only activity with respect to such facility is to lease it to another person or persons. If the taxpayer employs only a portion of such facility in the operation of a revenue producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue producing enterprise, the portion employed by the taxpayer in the operation of a revenue producing enterprise shall be considered a new business facility, if the requirements of paragraphs (b), (c), (d) and (e) of this subdivision are satisfied;

(c) If such facility was acquired by the taxpayer from another person or persons and such facility was employed immediately prior to the transfer of title to such facility to the taxpayer, or to the commencement of the term of the lease of such facility to the taxpayer, by any other person or persons in the operation of a revenue producing enterprise, the operation of the same or a substantially similar revenue producing enterprise is not continued by the taxpayer at such facility;

(d) Such facility is not a replacement business facility, as defined in subdivision (10) of this section; and

(e) The new business facility investment exceeds one hundred thousand dollars during the tax period in which the credits are claimed;

If a taxpayer has income derived from the operation of a new business facility as well as from other activities conducted within this state, the Missouri taxable income derived by the taxpayer from the operation of the new business facility shall be determined by multiplying the taxpayer's Missouri taxable income, computed in accordance with chapter 143, RSMo, or in the case of an insurance company, computed in accordance with chapter 148, RSMo, by a fraction, the numerator of which is the property factor, as defined in paragraph (a) of this subdivision, plus the payroll factor, as defined in paragraph (b) of this subdivision, and the denominator of which is two:

The average value of all such property shall be determined as provided in chapter 32, RSMo;

(b) The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the taxpayer for compensation to persons qualifying as new business facility employees, as determined by subsection 4 of section 135.110, at the new business facility, and the denominator of which is the total amount paid in this state during the tax period by the taxpayer for compensation. (7) "New business facility investment", the value of real and depreciable tangible personal property, acquired by the taxpayer as part of the new business facility, which is used by the taxpayer in the operation of the new business facility, during the taxable year for which the credit allowed by section 135.110 is claimed, except that trucks, truck-trailers, truck semitrailers, rail and barge vehicles and other rolling stock for hire, track, switches, barges, bridges, tunnels and rail yards and spurs shall not constitute new business facility investments. (b) Eight times the net annual rental rate, if leased by the taxpayer. The net annual rental rate shall be the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The new business facility investment shall be determined by dividing by twelve the sum of the total value of such property on the last business day of each calendar month of the taxable year. If the new business facility is in operation for less than an entire taxable year, the new business facility investment shall be determined by dividing the sum of the total value of such property on the last business day of each full calendar month during the portion of such taxable year during which the new business facility was in operation by the number of full calendar months during such period;

A new facility shall be deemed to replace an old facility if the following conditions are met:

(a) The old facility was operated by the taxpayer or a related taxpayer during the taxpayer's or related taxpayer's taxable period immediately preceding the taxable year in which commencement of commercial operations occurs at the new facility; and

Further amend said bill, Page 29, Section 135.208, Line 8, by inserting after all of said line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or his deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in his city, county, town or district. Except as otherwise provided in subsection 3 of this section, he shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. He shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. He shall annually assess all real property in the following manner: New assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. He may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable real property in the county owned by the person, or under his care, charge or management, and all taxable tangible personal property owned by the person or under his care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If an assessment maintenance plan is agreed upon by the county assessor, the county governing body and the state tax commission within thirty days of submission to the state tax commission, the county shall be eligible for state cost-share funds as outlined in section 137.750. If the state tax commission fails to approve a plan within thirty days after the date submitted and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences within an additional thirty days, then the differences shall be submitted to the circuit court of the county involved for final resolution within an additional thirty days. The decision of the circuit court may be appealed pursuant to chapter 621, RSMo. In the event a valuation of

subclass (1) real property within any first class charter county, or within a city not within a county, is made by a computer, computer assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this paragraph, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the city of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percents of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles under section 301.131, RSMo, and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than fifty hours per year or aircraft that are home built from a kit, five percent; [and]

*(5) Poultry, twelve percent[.]**; and***

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (6) of section 135.200, RSMo, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. All subclasses of real property, as such subclasses are established in section 4(b) of article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(1) For real property in subclass (1), nineteen percent;

(2) For real property in subclass (2), twelve percent; and

(3) For real property in subclass (3), thirty-two percent.

6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. A manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. A manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a "parcel" for the purpose of reimbursement under section 137.750, unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in his judgment will fairly estimate the true value in money of the motor vehicle.

10. If the assessor increases the assessed valuation of any parcel of subclass (1) real property by more than seventeen percent since the last assessment, excluding increases due to new construction or improvements, then the assessor shall conduct a physical inspection of such property.".

House Journal

Second Regular Session, 89th General Assembly

SEVENTY-THIRD DAY, Wednesday, May 13, 1998

Speaker Pro Tem Kreider in the Chair.

Prayer by Reverend Cheryl L. Tatham.

The middle of the week has arrived with the end in sight - just around the corner. O God, as the time fast approaches for the conclusion of this session, grant us the ability to reflect objectively on these past five months, and the months of preparation that preceded them. In a world where conflicts continue to rage; in a world where nuclear armaments are still threatening; in a world where peace is still a matter of who owns what land, help us all to step back and re-evaluate our priorities. You have given us intelligence, creativity, ingenuity, and we persist in using and abusing them in the most peculiar ways. Forgive us when we're foolish and undergird us with Your love and mercy when we have the courage to do what You would have us do - whether or not it pleases the masses or the media.

We begin to draw this week to a close knowing that what's done is done, what's good will prevail and what's not will wither like the grass. Grant us peace, O God. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Lauren Weber, Jodi Maher, Andrew Scott, Danny Seitz, Flat Josh, Jasmine Burroughs, Jamie Cahill, Chelsea Gierer, Jesse Jones, Dustin Holtmeyer, Khaley Hartupee, Fred Davis, Mary Scheidhauer, Amanda Cannady, Megan Glenn, William Pettit, Allen Sutton, Carl Dotson, Santrella Herd, Joshua Jasper, Angela Eichholz, Brian Hentz, Ray Tunnicliff, Krystle Day and Jamie Kienzle.

The Journal of the seventy-second day was approved as corrected.

An owner or tenant need not prove any specific, special or unique damages to himself or his property or any adverse effect upon his property from the alleged nuisance in order to maintain a civil action pursuant to the provisions of sections 441.500 to 441.640.]

441.510. 1. If any building or dwelling is found to be in violation of building or housing codes which a party with standing to sue pursuant to subsection 8 of this section, the county or municipality in the exercise of reasonable discretion believes constitutes a threat to the public health, safety or welfare, the party with standing to sue pursuant to subsection 8 of this section, the county or municipality, in addition to any other remedies available to it, may apply to a court of competent jurisdiction for the appointment of a receiver to perform an abatement.

2. At least sixty days prior to the filing of an application for appointment of a receiver pursuant to sections 441.500 to 441.643, the party with standing to sue pursuant to subsection 8 of this section, the county or municipality shall give written notice by regular mail to all interested parties of its intent to file the application and information relative to:

(3) The name, address and telephone number of the person or department where additional information can be obtained concerning violations and their remedy; and

(4) The party with standing to sue pursuant to subsection 8 of this section, the county or municipality which may seek the appointment of a receiver pursuant to sections 441.500 to 441.643 unless action is taken within sixty days by an interested party.

3. A party with standing to sue pursuant to subsection 8 of this section, a county or municipality may not apply for the appointment of a receiver pursuant to sections 441.500 to 441.643 if an interested party has commenced and is then prosecuting in a timely fashion an action or other judicial or nonjudicial proceeding to foreclose a security interest on the property, or to obtain specific performance of a land sale contract, or to forfeit a purchaser's interest under a land sale contract.

4. Notice of the application for the appointment of a receiver shall be served on all interested parties.

5. If, following the application for appointment of a receiver, one or more of the interested parties elects to correct the conditions at the property giving rise to the party with standing to sue pursuant to subsection 8 of this section, the county or municipality's application for the appointment of a receiver, the party or parties shall be required to post security in an amount and character as the court deems appropriate to ensure timely performance of all work necessary to make corrections, as well as such other conditions as the court deems appropriate to effect the timely completion of the corrections by the interested party or parties.

6. In the event that no interested party elects to act pursuant to subsection 5 of this section or fails to timely perform work undertaken pursuant to subsection 5 of this section, the court shall make a determination that the property is in an unsafe or insanitary condition and appoint a receiver to complete the abatement.

7. A receiver appointed by the court pursuant to sections 441.500 to 441.643 shall not be required to give security or bond of any sort prior to appointment.

8. Notwithstanding the provisions of subsections 1 to 7 of this section, a civil action may be maintained pursuant to the provisions of sections 441.500 to 441.640 in the circuit court for the circuit where the property is located by the following persons or entities on the ground that a nuisance exists with respect to the dwelling unit or the building or premises of which the dwelling unit is a part:

(1) Occupants of one-third or more of the dwelling units within a building with respect to that building; or

(2) Any owner or tenant of real property within twelve hundred feet in any direction of the property in question who shows that his or her property or person is substantially affected by the alleged nuisance. An owner or tenant need not prove any specific, special or unique damage to himself or herself or his or her property or any adverse effect upon his or her property from the alleged nuisance in order to maintain a civil action pursuant to the provisions of sections 441.500 to 441.640.

441.520. 1. The action to appoint a receiver authorized by section 441.510 shall be commenced by the filing of a verified petition by the party with standing to sue pursuant to subsection 8 of section 441.510, the county or municipality.

2. There shall be named as defendants:

(1) The last owner of record of the dwelling as of the date of the filing of the petition; and

(2) The last holder of record of any mortgage, deed of trust, or other lien of record against the building as of the date of the filing of the petition.

3. Any owner of the dwelling who is not a party defendant may be permitted by the court to join as a party defendant.

4. (1) Any owner, whether or not a citizen or resident of this state, who in person or through agent, owns, uses, or is possessed of any real estate situated in this state thereby subjects himself or itself to the jurisdiction of the courts of this state as to any cause of action arising [under] pursuant to the provisions of sections 441.500 to [441.640] 441.643. Personal service of process shall be made in accordance with the rules of civil procedure; provided that, if such service cannot with due diligence be made, service of process may be made by personally serving process upon the defendant outside this state, or by service in accordance with the rules of civil procedure as in all cases affecting a res within the jurisdiction of the court.

(2) If a landlord of residential property is not a resident of this state or is a corporation, he must designate an agent upon whom service of process may be made in this state. The agent shall be a resident of this state or a corporation authorized to transact business in this state. The designation shall be in writing and include the address and the name of the registered agent and shall be filed in the office of the secretary of state. If no designation is made and filed or if process cannot be served in this state upon the designated agent, process may be served upon the secretary of state, but service upon him is not effective unless the petitioner forthwith mails a copy of the process and pleading by certified mail to the defendant or respondent at the address

stated on the assessor's records for the subject property. An affidavit of compliance with this section shall be filed with the clerk of the court.

5. Any action brought [under] pursuant to the provisions of sections 441.500 to [441.640] 441.643 shall be expedited by the court and may be given precedence over other suits.

441.530. The [petition] application shall state:

(1) The facts constituting a nuisance with respect to the dwelling unit, building or premises of which the dwelling unit is a part[,];

(2) That violations of the housing code exist as determined by a notice of deficiency[,];

(3) That the owner of said property has failed, within a reasonable time, to undertake to remove said nuisance[,];

(4) If the action is brought by occupants, the number of dwelling units occupied by plaintiffs and the number of dwelling units in the building[,]; and

(5) The relief sought as authorized by sections 441.570 and 441.590.

441.550. In any [civil action brought under the provisions of sections 441.500 to 441.640, the plaintiff] application for receivership brought pursuant to sections 441.500 to 441.643, the party with standing to sue pursuant to subsection 8 of section 441.510, the county or municipality shall file for record, with the recorder of deeds of the county in which any such real estate is situated, a written notice of the pendency of the suit pursuant to the requirements of section 527.260, RSMo. From the time of filing such notice the pendency of suit shall be constructive notice to persons thereafter acquiring an interest in the building.

441.570. The court may, after hearing and finding the dwelling unit or building constitutes a nuisance,

(1) Appoint a receiver and direct that present and future rents due from one or more occupants be [deposited] paid by the occupant or occupants with [the clerk of the court] such receiver as such rents fall due, or

(2) Allow the owner a reasonable time to correct the deficiencies.

Any rents [deposited under] paid pursuant to the provisions of this section shall be [held by the court until the deficiencies noted in the building have been remedied, and shall not accrue interest during the time they are so held] applied to the costs incurred due to the abatement and receivership. Upon the completion of the work required to abate the nuisance, any remaining surplus after authorized disbursements and payments of cost shall be forwarded to the owner, together with a complete accounting of the rents [deposited] paid and the costs incurred.

441.580. Upon the entry of an order directing the [deposit] payment of rents [or payment] pursuant to section 441.570, [the deposit of the rents with the clerk of the court] such payment in accordance with the terms of the order shall be a valid defense to any action or proceeding brought by an owner against any tenant to recover possession of real property for the nonpayment of rent due and payable after the date of issuance of the order.

441.590. 1. The court may, in any order entered pursuant to section 441.570:

(1) Authorize the [owner] receiver to draw upon the rents deposited in court to pay for the cost of necessary repairs upon presentment to the court of the original copy of any invoice for work performed or materials purchased;

(2) Appoint the code enforcement agency, [the owner,] the mortgagee or other lienor of record, a local housing corporation established to promote housing development and conservation in the area in which such property that is the subject of receivership is located, a licensed attorney or real estate broker, or any other qualified person, as a receiver [to administer, subject to the court's direction, the rent moneys deposited and to be deposited with the clerk, or if the court so orders, to be collected directly by the receiver from the occupants of the building;] provided, however, that all lienholders of record shall be given the right of first refusal to serve as receiver in the order in which their lien appears of record. In the event of the refusal of all lienholders of record to serve as receiver or in the absence of any lienholders of record, the local housing corporation that is established to promote housing development and conservation in the area in which such property that is the subject of receivership is located, if any, shall be given the right of first refusal to serve as receiver for any residential property consisting of four units or less; or

(3) Where the building is vacant, appoint the code enforcement agency, [the owner,] the mortgagee or other lienor of record, a local housing corporation established to promote development and conservation in the area in which such property that is the subject of receivership is located, a licensed attorney or real estate broker, or any other qualified person, as a receiver to remove all of the housing code violations which constitute a nuisance as found by the court, except that all lienholders of record shall be given the right of first refusal to serve as receiver in the order in which their liens appear of record. In the event of the refusal of all lienholders of record to serve as receiver or in the absence of any lienholders of record, the local housing corporation that

is established to promote development and conservation in the area in which such property that is the subject of receivership is located, if any, shall be given the right of first refusal to serve as receiver for any residential property consisting of four units or less.

2. The court may allow a receiver[, other than the owner,] reasonable and necessary expenses, payable from the rent moneys.

3. No receiver appointed shall serve without bond. The amount and form of such bond shall be approved by the court and the cost of such bond shall be paid from the moneys so deposited.

4. The receiver may, on order of the court, take possession of the property, collect all rents and profits accruing from the property, and pay all costs of management, including all insurance premiums and all general and special real estate taxes or assessments.

5. The receiver shall with all reasonable speed remove all of the housing code violations which constitute a nuisance as found by the court, and may make other improvements to effect a rehabilitation of the property in such fashion as is consistent with maintaining safe and habitable conditions over the remaining useful life of the property. The receiver shall have the power to let contracts therefor, in accordance with the provisions of local laws, ordinances, rules and regulations applicable to contracts.

6. The receiver may with the approval of the circuit court borrow money against, and encumber, the property as security therefor in such amounts as may be necessary to carry out his or her responsibilities [under] pursuant to sections 441.500 to [441.640] 441.643. The circuit court may authorize the receiver to issue receiver's certificates as security against such borrowings, which certificates shall be authorized investments for banks and savings and loan associations, and shall constitute a first lien upon the property and its income and shall be superior to any claims of the receiver and to all prior or subsequent liens and encumbrances except taxes and assessments, and shall be enforceable as provided in subsection 8 of this section.

7. In addition to issuance of receiver certificates, the receiver may pledge the rentals from the property and borrow or encumber the property on the strength of the rental income.

8. Any receiver appointed [under] pursuant to the provisions of sections 441.500 to [441.640] 441.643 shall have a lien, for the expenses necessarily incurred in the execution of an order, upon the rents receivable from the premises on or in respect of which the work required by such order has been done or expenses incurred, and this lien shall have priority over all other liens and encumbrances of record upon the rents receivable from the premises, except taxes, assessments, receiver's certificates, and mortgages recorded prior to October 13, 1969.

9. For the purposes of this section, "local housing corporation" shall mean only those local housing corporations established prior to April 28, 1999.

441.610. Any provision of a lease or other agreement whereby any provision of sections 441.500 to [441.640] 441.643 for the benefit of an occupant of a dwelling unit or units is waived or denied shall be deemed against public policy and shall be void.

[441.620. 1. Whenever an occupant of a dwelling unit shall, with respect to the occupied premises or the property of which such premises are a part, file a petition authorized by section 441.510, no action or proceeding to recover possession of such premises shall be maintainable by the owner against such occupant, nor shall the owner, by rent increase or otherwise cause such occupant involuntarily to quit such premises, or decrease services to which the occupant is entitled, for a period of one year from the date of the filing of such petition, notwithstanding that the occupant has no lease or that his lease has expired, except with the approval of the court, so long as the occupant continues to pay the owner, the owner's agent, or a court pursuant to a court order, the rent to which the owner is entitled at the time the petition is filed; provided, however, that the owner may recover possession of such premises if

(1) The occupant is then violating an obligation of a written lease which was executed prior to the date of the filing of the petition, or is using the leased premises for an immoral or illegal purpose or for other than living or dwelling purposes; or

(2) The owner seeks in good faith to recover possession of the property for his immediate and personal use and occupancy as a dwelling; or

(3) The owner seeks in good faith to recover possession for the immediate purpose of demolishing the property; or

(4) The dwelling unit and the property of which the dwelling unit is a part were, on the date of the filing of such petition, in full compliance with the housing code of the community; or

(5) Such complaint, notice, request or petition relates only to a condition or conditions occasioned by an act or omission of such occupant or members of his family, or an invitee or assignee thereof, beyond those acts or omissions constituting ordinary wear and tear.

2. Any person from whom possession has been recovered in violation of this section shall be entitled to recover twice the amount of rent for the period for which he was wrongfully dispossessed or twice the damages sustained by him, whichever is greater, and the cost of suit, including a reasonable attorney's fee.]

441.630. Every occupant of a dwelling unit under the provisions of sections 441.500 to [441.640] 441.643 shall be responsible to pay all rents due [the owner] from him or her when such rents become due and to exercise reasonable care

(1) To dispose of all rubbish and garbage in his or her dwelling unit, and other organic waste which might provide food for rodents, in a clean and sanitary manner;

(2) To refrain from unreasonable use of electrical, heating, and plumbing fixtures;

(3) To meet all obligations lawfully imposed upon the occupants of dwelling units by the code enforcement agency or the community;

(4) To refrain from willfully or wantonly destroying, defacing, damaging, impairing or removing any part of the structure or dwelling unit or the facilities, equipment, or appurtenances thereof, and to prohibit any other person on the premises with his or her permission from doing likewise; and

(5) Shall not under any circumstances take in additional occupants, sublease, rent or turn over said premises to any persons without the owner's knowledge and consent.

[441.640. The provisions of this law shall not be applicable to one-family buildings if the owner thereof resides therein.]

441.641. If the court appoints a receiver to abate a nuisance [in dwelling units] pursuant to sections 441.500 to [441.640] 441.643, and the holder of title to the property or any other party in interest does not take action to regain possession of the property within [ten] two years of the appointment of the receiver, the court may, for good cause shown, issue a judicial deed transferring title to the property to the receiver, or to any not for profit corporation organized pursuant to law.

441.643. In the event the court finds that the facts alleged in the petition filed pursuant to section 441.530 are unfounded and that the petition was filed frivolously and in bad faith, the petitioner shall be responsible for the reasonable attorney's fees attributable to the defense of said petition.".

(1) Governing licensed certification authorities, their practice and the termination of a certification authority's practice;

(a) Each of such governmental entities may act through designated officials authorized by ordinance, rule or statute to perform certification authority functions; and

5. The division may recognize by rule the licensing or authorization of certification authorities by other governmental entities, provided that those licensing or authorization requirements are substantially similar to those of this state. If licensing by another governmental entity is so recognized:

(1) Sections 19 to 24 of this act, which relates to presumptions and legal effects, applies to certificates issued by the certification authorities licensed or authorized by that governmental entity in the same manner as it applies to licensed certification authorities of this state; and

(2) The liability limits of section 17 of this act apply to the certification authorities licensed or authorized by that governmental entity in the same manner as they apply to licensed certification authorities of this state.

6. Unless the parties provide otherwise by contract between themselves, the licensing requirements in this

section do not affect the effectiveness, enforceability or validity of any digital signature except that sections 19 to 24 of this act do not apply to a digital signature which cannot be verified by a certificate issued by a licensed certification authority. Further, the liability limits of section 17 of this act do not apply to unlicensed certification authorities.

Section 6. 1. A certified public accountant having expertise in computer security, or an accredited computer security professional, shall audit the operations of each licensed certification authority at least once each year to evaluate compliance with sections 1 to 27 of this act. The division may specify qualifications for auditors in greater detail by rule.

2. (1) Based on information gathered in the audit, the auditor shall categorize the licensed certification authority's compliance as one of the following:

(a) Full compliance, which means the certification authority appears to conform to all applicable statutory and regulatory requirements;

(b) Substantial compliance, which means the certification authority generally appears to conform to all applicable statutory and regulatory requirements; however, one or more instances of noncompliance or inability to demonstrate compliance were found in the audited sample, but were likely to be inconsequential;

(c) Partial compliance, which means the certification authority appears to comply with some statutory and regulatory requirements, but was found not to have complied or not to be able to demonstrate compliance with one or more important safeguards; or

(d) Noncompliance, which means the certification authority complies with few or none of the statutory and regulatory requirements, fails to keep adequate records to demonstrate compliance with more than a few requirements, or refused to submit to an audit;

(2) The auditor shall report the date of the audit of the licensed certification authority and resulting categorization to the division;

(3) The division shall publish in the certification authority disclosure record it maintains for the certification authority, the date of the audit and the resulting categorization of the certification authority.

3. (1) The division may exempt a licensed certification authority from the requirements of subsection 1 of this section if:

(a) The certification authority to be exempted requests exemption in writing;

(b) The most recent performance audit, if any, of the certification authority resulted in a finding of full or substantial compliance; and

(c) The certification authority declares under oath or affirmation that one or more of the following is true with respect to the certification authority:

a. The certification authority has issued fewer than six certificates during the past year and the total of the recommended reliance limits of all such certificates does not exceed ten thousand dollars;

b. The aggregate lifetime of all certificates issued by the certification authority during the past year is less than thirty days and the total of the recommended reliance limits of all such certificates does not exceed ten thousand dollars; or

c. The recommended reliance limits of all certificates outstanding and issued by the certification authority total less than one thousand dollars;

(2) If the certification authority's declaration pursuant to subdivision (1) of subsection 3 of this section falsely states a material fact, the certification authority shall have failed to comply with the performance audit requirement of this subsection;

(3) If a licensed certification authority is exempt pursuant to this subsection, the division shall publish in the certification authority disclosure record it maintains for the certification authority a statement that the certification authority is exempt from the performance audit requirement.

Section 7. 1. The division may investigate the activities of a licensed certification authority material to its compliance with this chapter and issue orders to a certification authority to further its investigation and ensure compliance with sections 1 to 27 of this act.

2. As provided in section 5 of this act, the division may restrict a certification authority's license for its failure to comply with an order of the division, or may suspend or revoke the license of a certification authority.

3. Any person who knowingly or intentionally violates an order of the division issued pursuant to this section or section 8 of this act is subject to a civil penalty of not more than five thousand dollars per violation or ninety percent of the recommended reliance limit of a material certificate, whichever is less.

4. The division may order a certification authority in violation of sections 1 to 27 of this act to pay the costs incurred by the division in prosecuting and adjudicating proceedings relative to, and in enforcement of, the order.

5. Administrative proceedings undertaken pursuant to this section shall be conducted pursuant to chapter 536, RSMo.

Section 8. 1. A certification authority, whether licensed or not, may not conduct its business in a manner that creates an unreasonable risk of loss to subscribers of the certification authority, to persons relying on certificates issued by the certification authority, or to a repository.

2. (1) The division may publish in one or more recognized repositories brief statements advising subscribers, persons relying on digital signatures, and repositories about any activities of a licensed or unlicensed certification authority, of which the division has actual knowledge, which create a risk prohibited by subsection 1 of this section;

(2) The certification authority named in a statement as creating such a risk may protest the publication of the statement by filing a brief, written defense. Upon receipt of such a protest, the division shall:

(a) Publish the written defense along with the division's statement;

(b) Publish notice that a hearing has been scheduled to determine the facts and to decide the matter; and

(c) Promptly give the protesting certification authority notice and a hearing as provided in chapter 536, RSMo;

(3) Following the hearing, the division shall:

(a) Rescind the advisory statement if its publication was unwarranted pursuant to this section;

(b) Cancel the advisory statement if its publication is no longer warranted;

(c) Continue or amend the advisory statement if it remains warranted; or

(d) Take further legal action to eliminate or reduce a risk prohibited by subsection 1 of this section;

(4) The division shall publish its decision in one or more recognized repositories.

3. Nothing in sections 1 to 27 of this act shall be construed to prevent the division from exercising any and all legal methods to enforce the provisions of sections 1 to 27 of this act. The provisions of this section do not create a right of action in any person other than the division.

Section 9. 1. A licensed certification authority or subscriber shall use only a trustworthy system:

(1) To issue, suspend or revoke a certificate;

(2) To publish or give notice of the issuance, suspension or revocation of a certificate; and

(3) To create a private key.

2. A licensed certification authority shall disclose any material certification practice statement, and any fact material to either the reliability of a certificate which it has issued or its ability to perform its services. A certification authority may require a signed, written and reasonably specific inquiry from an identified person, and payment of reasonable compensation, as conditions precedent to effecting a disclosure required in this subsection.

Section 10. 1. A licensed certification authority may issue a certificate to a subscriber only after all of the following conditions are satisfied:

(1) The certification authority has received a request for issuance signed by the prospective subscriber; and

(2) The certification authority has confirmed that:

(a) The prospective subscriber is the person to be listed in the certificate to be issued;

(b) If the prospective subscriber is acting through one or more agents, the subscriber authorized the agent or agents to have custody of the subscriber's private key and to request issuance of a certificate listing the corresponding public key;

(c) The information in the certificate to be issued is accurate after due diligence;

(d) The prospective subscriber rightfully holds the private key corresponding to the public key to be listed in the certificate;

(e) The prospective subscriber holds a private key capable of creating a digital signature; and

(f) The public key to be listed in the certificate can be used to verify a digital signature affixed by the private key held by the prospective subscriber;

(3) The requirements of this subsection may not be waived or disclaimed by the licensed certification authority or the subscriber.

2. (1) If the subscriber accepts the issued certificate, the certification authority shall publish a signed copy of the certificate in a recognized repository agreed upon by the certification authority and the subscriber named in the certificate, unless the contract between the certification authority and the subscriber provides otherwise;

(2) If the subscriber does not accept the certificate, a licensed certification authority shall not publish the certificate or shall cancel its publication if the certificate has already been published.

3. Nothing in this section precludes a licensed certification authority from conforming to standards, certification practice statements, security plans, or contractual requirements more rigorous than, but consistent with, sections 1 to 27 of this act.

4. (1) A licensed certification authority which has issued a certificate:

(a) Shall revoke a certificate immediately upon confirming that it was not issued as required by this section; or

(b) May suspend, for a reasonable period of time not to exceed forty-eight hours, a certificate which it has issued in order to conduct an investigation to confirm grounds for revocation pursuant to paragraph (a) of this subdivision;

(2) The certification authority shall give notice of the revocation or suspension to the subscriber as soon as practicable.

5. (1) The division may order the licensed certification authority to suspend or revoke a certificate which the certification authority issued if, after giving the certification authority and subscriber any required notice and opportunity for a hearing in accordance with chapter 536, RSMo, the division determines that:

(a) The certificate was issued without substantial compliance with this section; and

(b) The noncompliance poses a significant risk to persons reasonably relying on the certificate;

(2) The division may suspend a certificate for a reasonable period of time not to exceed forty-eight hours upon determining that an emergency requires an immediate remedy.

Section 11. 1. (1) By issuing a certificate, a licensed certification authority warrants to the subscriber named in the certificate that:

(a) The certificate contains no information known to the certification authority to be false;

(b) The certificate satisfies all material requirements of sections 1 to 27 of this act; and

(c) The certification authority has not exceeded any limits of its license in issuing the certificate;

(2) The certification authority may not disclaim or limit the warranties of this subsection.

2. Unless the subscriber and certification authority otherwise agree, a certification authority, by issuing a certificate, shall:

(1) Act promptly to suspend or revoke a certificate in accordance with sections 14 and 15 of this act; and

(2) Notify the subscriber within a reasonable time of any facts known to the certification authority which significantly affect the validity or reliability of the certificate once it is issued.

3. By issuing a certificate, a licensed certification authority certifies to all who reasonably rely on the information contained in the certificate that:

(1) The information in the certificate and listed as confirmed by the certification authority is accurate;

(2) All foreseeable information material to the reliability of the certificate is stated or incorporated by reference within the certificate;

(3) The subscriber has accepted the certificate; and

(4) The licensed certification authority has complied with all applicable laws of this state governing issuance of the certificate.

4. By publishing a certificate, a licensed certification authority certifies to the repository in which the certificate is published and to all who reasonably rely on the information contained in the certificate that the certification authority has issued the certificate to the subscriber.

Section 12. 1. By accepting a certificate issued by a licensed certification authority, the subscriber listed in the certificate certifies to all who reasonably rely on the information contained in the certificate that:

(1) The subscriber rightfully holds the private key corresponding to the public key listed in the certificate;

(2) All representations made by the subscriber to the certification authority and material to information listed in the certificate are true;

(3) All material representations made by the subscriber to a certification authority or made in the certificate and not confirmed by the certification authority in issuing the certificate are true.

2. An agent, requesting on behalf of a principal that a certificate be issued naming the principal as subscriber, certifies that the agent:

(1) Holds all authority legally required to apply for issuance of a certificate naming the principal as subscriber; and

(2) Has authority to sign digitally on behalf of the principal, and, if that authority is limited in any way, that adequate safeguards exist to prevent a digital signature exceeding the bounds of the person's authority.

3. A person may not disclaim or contractually limit the application of this section, or obtain indemnity for its effects, if the disclaimer, limitation or indemnity restricts liability for misrepresentation as against persons reasonably relying on the certificate.

4. (1) By accepting a certificate, a subscriber undertakes to indemnify the issuing certification authority for any loss or damage caused by issuance or publication of a certificate in reliance on a false and material representation of fact by the subscriber, or the failure by the subscriber to disclose a material fact if the representation or failure to disclose was made either with intent to deceive the certification authority or a person relying on the certificate or was made with negligence;

(2) If the certification authority issued the certificate at the request of an agent of the subscriber, the agent personally undertakes to indemnify the certification authority pursuant to subdivision (1) of this subsection as if the agent was an accepting subscriber in his or her own right. The indemnity provided in subdivision (1) of this subsection may not be disclaimed or contractually limited in scope, however, a contract may provide consistent, additional terms regarding the indemnification.

5. In obtaining information of the subscriber material to issuance of certificate, the certification authority may require the subscriber to certify the accuracy of relevant information under oath or affirmation of truthfulness and under penalty of criminal prohibitions against false, sworn statements.

Section 13. 1. By accepting a certificate issued by a licensed certification authority, the subscriber identified in the certificate assumes a duty to exercise reasonable care to retain control of the private key and prevent its disclosure to any person not authorized to create the subscriber's digital signature.

2. A private key is the personal property of the subscriber who rightfully holds it.

3. If a certification authority holds the private key corresponding to a public key as a fiduciary of the subscriber named in the certificate, the certification authority may use that private key only with the subscriber's prior, written approval, unless the subscriber expressly permits the certification authority to hold the private key according to other terms.

Section 14. 1. (1) Unless the certification authority and the subscriber agree otherwise, the licensed certification authority which issued a certificate which is not a transactional certificate shall suspend the certificate for a period not exceeding forty-eight hours:

(a) Upon request by a person identifying himself or herself as the subscriber named in the certificate, or as a person in a position likely to know of a compromise of the security of subscriber's private key, such as an agent, business associate, employee or member of the immediate family of the subscriber; or

(b) By order of the division pursuant to subsection 5 of section 10 of this act;

(2) The certification authority need not confirm the identity or agency of the person requesting suspension pursuant to paragraph (a) of subdivision (1) of this subsection.

2. (1) Unless the certificate provides otherwise or the certificate is a transactional certificate, the division, a court clerk, or county clerk may suspend a certificate issued by a licensed certification authority for a period of forty-eight hours, if:

(a) A person requests suspension and identifies himself or herself as the subscriber named in the certificate or as an agent, business associate, employee or member of the immediate family of the subscriber; and

(b) The requester represents that the certification authority which issued the certificate is unavailable;

(2) The division, court clerk or county clerk may:

(a) Require the person requesting suspension pursuant to subdivision (1) of this subsection to provide evidence, including a statement under oath or affirmation, regarding any information described in subdivision (1) of this subsection; and

(b) Suspend or decline to suspend the certificate in its discretion;

(3) The division, attorney general or county attorney may investigate suspensions by the division, a court clerk or a county clerk for possible wrongdoing by persons requesting suspension pursuant to subdivision (1) of this subsection.

3. (1) Immediately upon suspension of a certificate by a licensed certification authority, the licensed certification authority shall publish notice, signed by the licensed certification authority, of the suspension in any repositories specified in the certificate for publication of notice of suspension. If any repository specified in the certificate no longer exists or refuses to accept publication, or is no longer recognized pursuant to section 25 of this act, the licensed certification authority shall publish the notice in any recognized repository;

(2) If a certificate is suspended by the division, a court clerk or county clerk, the division or clerk shall give notice as required in subdivision (1) of this subsection for a licensed certification authority, provided that the person requesting suspension pays in advance any fee required by a repository for publication of the notice of suspension.

4. A certification authority shall terminate a suspension initiated by request only:

(1) If the subscriber named in the suspended certificate requests termination of the suspension and the certification authority has confirmed that the person requesting suspension is the subscriber or an agent of the subscriber authorized to terminate the suspension; or

(2) When the certification authority discovers and confirms that the request for the suspension was made without authorization by the subscriber, provided that this subdivision does not require the certification authority to confirm a request for suspension.

5. The contract between a subscriber and a licensed certification authority may limit or preclude requested suspension by the certification authority, or may provide otherwise for termination of a requested suspension. However, if the contract limits or precludes suspension by the division, a court clerk or a county clerk when the issuing certification authority is unavailable, the limitation or preclusion shall be effective only if notice of the limitation or preclusion is published in the certificate.

6. A person may not knowingly or intentionally misrepresent to a certification authority his or her identity or authorization in requesting suspension of a certificate. Violation of this subsection is a class B misdemeanor.

7. While the certificate is suspended, the subscriber is released from the duty to keep the private key secure pursuant to subsection 1 of section 13 of this act.

Section 15. 1. A licensed certification authority shall revoke a certificate which it issued, but which is not a transactional certificate, after:

(1) Receiving a request for revocation by the subscriber named in the certificate; and

(2) Confirming that the person requesting revocation is that subscriber, or is an agent of that subscriber with authority to request the revocation.

2. A licensed certification authority shall confirm a request for revocation and revoke a certificate within one business day after receiving both a subscriber's written request and evidence reasonably sufficient to confirm the identity and any agency of the person requesting the suspension.

3. A licensed certification authority shall revoke a certificate which it issued:

(1) Upon receiving a certified copy of the subscriber's death certificate, or upon confirming by other evidence that the subscriber is dead; or

(2) Upon presentation of documents effecting a dissolution of the subscriber, or upon confirming by other evidence that the subscriber has been dissolved or has ceased to exist.

4. A licensed certification authority may revoke one or more certificates which it issued if the certificates are or become unreliable, regardless of whether the subscriber consents to the revocation.

5. Immediately upon revocation of a certificate by a licensed certification authority, the licensed certification authority shall publish signed notice of the revocation in any repository specified in the certificate for publication of notice of revocation. If any repository specified in the certificate no longer exists or refuses to accept publication, or is no longer recognized pursuant to section 25 of this act, the licensed certification authority shall publish the notice in any recognized repository.

6. A subscriber ceases to certify the information, as provided in section 12 of this act, and has no further duty to keep the private key secure, as required by section 13 of this act, in relation to a certificate whose revocation

the subscriber has requested, beginning with the earlier of either:

(1) When notice of the revocation is published as required in subsection 5 of this section; or

(2) Two business days after the subscriber requests revocation in writing, supplies to the issuing certification authority information reasonably sufficient to confirm the request, and pays any contractually required fee.

7. Upon notification as required by subsection 5 of this section, a licensed certification authority is discharged of its warranties based on issuance of the revoked certificate and ceases to certify the information, as provided in section 11 of this act, in relation to the revoked certificate.

Section 16. A certificate shall indicate the date on which it expires. When a certificate expires, the subscriber and certification authority cease to certify the information in the certificate as provided in sections 1 to 27 of this act and the certification authority is discharged of its duties based on issuance of that certificate.

Section 17. 1. By specifying a recommended reliance limit in a certificate, the issuing certification authority and the accepting subscriber recommend that persons rely on the certificate only to the extent that the total amount at risk does not exceed the recommended reliance limit.

2. Unless a licensed certification authority waives application of this subsection, a licensed certification authority is:

(1) Not liable for any loss caused by reliance on a false or forged digital signature of a subscriber, if, with respect to the false or forged digital signature, the certification authority complied with all material requirements of sections 1 to 27 of this act;

(2) Not liable in excess of the amount specified in the certificate as its recommended reliance limit for either:

(a) A loss caused by reliance on a misrepresentation in the certificate of any fact that the licensed certification authority is required to confirm; or

(b) Failure to comply with section 10 of this act in issuing the certificate;

(3) Liable only for direct, compensatory damages in any action to recover a loss due to reliance on the certificate, which damages do not include:

(a) Punitive or exemplary damages;

(b) Damages for lost profits, savings or opportunity; or

(c) Damages for pain or suffering.

Section 18. 1. (1) Notwithstanding any provision in the suitable guaranty to the contrary:

(a) If the suitable guaranty is a surety bond, a person may recover from the surety the full amount of a qualified right to payment against the principal named in the bond, or, if there is more than one such qualified right to payment during the term of the bond, a ratable share, up to a maximum total liability of the surety equal to the amount of the bond; or

(b) If the suitable guaranty is a letter of credit, a person may recover from the issuing financial institution the full amount of a qualified right to payment against the customer named in the letter of credit, or, if there is more than one qualified right to payment during the term of the letter of credit, a ratable share, up to a maximum total liability of the issuer equal to the amount of the credit;

(2) Claimants may recover successively on the same suitable guaranty, provided that the total liability on the suitable guaranty to all persons making claims based upon qualified rights of payment during its term may not exceed the amount of the suitable guaranty.

2. To recover a qualified right to payment against a surety or issuer of a suitable guaranty, the claimant shall file written notice of the claim with the division stating the name and address of the claimant, the amount claimed, and the grounds for the qualified right to payment, and any other information required by rule of the division.

3. Recovery of a qualified right to payment from the proceeds of the suitable guaranty shall be forever barred unless:

(1) The claimant substantially complies with subsection 2 of this section; and

(2) Notice of the claim is filed within two years after the occurrence of the violation of any of sections 1 to 27 of this act which is the basis for the claim.

Section 19. 1. Where a rule of law requires a signature, or provides for certain consequences in the absence of a signature, that rule is satisfied by a digital signature if:

(1) That digital signature is verified by reference to the public key listed in a valid certificate issued by a licensed certification authority;

(2) That digital signature was affixed by the signer with the intention of signing the message; and

(3) The recipient has no knowledge or notice that the signer either:

(a) Breached a duty as a subscriber; or

(b) Does not rightfully hold the private key used to affix the digital signature.

2. Nothing in sections 1 to 27 of this act precludes any symbol from being valid as a signature pursuant to other applicable law.

3. This section does not limit the authority of the department of revenue to prescribe the form of tax returns or other documents filed with the department of revenue.

Section 20. Unless otherwise provided by law or contract, the recipient of a digital signature assumes the risk that a digital signature is forged, if reliance on the digital signature is not reasonable under the circumstances. If the recipient determines not to rely on a digital signature pursuant to this section, the recipient shall promptly notify the signer of its determination not to rely on the digital signature.

Section 21. 1. A message is as valid, enforceable and effective as if it had been written on paper, if it:

(1) Bears in its entirety a digital signature; and

(2) That digital signature is verified by the public key listed in a certificate which:

(a) Was issued by a licensed certification authority; and

(b) Was valid at the time the digital signature was created.

2. Nothing in this chapter precludes any message, document or record from being considered written or in writing pursuant to other applicable state law.

Section 22. A copy of a digitally signed message is as effective, valid and enforceable as the original of the message, unless it is evident that the signer designated an instance of the digitally signed message to be a unique original, in which case only that instance constitutes the valid, effective and enforceable message.

Section 23. Unless otherwise provided by law or contract, a certificate issued by a licensed certification authority is an acknowledgement of a digital signature verified by reference to the public key listed in the certificate, regardless of whether words of an express acknowledgement appear with the digital signature or whether the signer physically appeared before the certification authority when the digital signature was created, if that digital signature is:

(2) Affixed when that certificate was valid.

Section 24. In adjudicating a dispute involving a digital signature, a court of this state shall presume that:

(1) Upon passage of an expiration date specified by the division in granting recognition; or

(2) In accordance with the procedures for adjudicative proceedings prescribed by chapter 536, RSMo, if the division concludes that the repository no longer satisfies the conditions for recognition listed in this section or in rules of the division.

(1) The loss was incurred more than one business day after receipt by the repository of a request to publish notice of the suspension or revocation; and

(2) The repository had failed to publish the notice of suspension or revocation when the person relied on the digital signature.

2. Unless waived, a recognized repository or the owner or operator of a recognized repository is:

(1) Not liable:

The commission shall ensure that, for each nonattainment area, the state implementation plan established under subsection 1 of section 643.305 incorporates and receives all applicable credits allowed by the United States Environmental Protection Agency for emission reduction programs in other nonattainment areas of like designation in other states. The commission shall ensure that emission reduction amounts established under subsection 2 of section 643.305 shall be consistent with and not exceed the emissions reduction amounts required by the United States Environmental Protection Agency for other nonattainment areas of like designation in other states. and consideration shall be given to employment, locations and commuting patterns when selecting the locations of the stations;

(2) There shall be an adequate number of inspection lanes at each facility so that no more than five percent of all persons having an inspection are required to wait more than fifteen minutes before the inspection begins;

(3) The days and daily hours of operation shall include at least those hours specified by the department, which shall include, at a minimum, twelve continuous hours of operation on all weekdays excepting federal holidays, and six continuous hours of operation on all Saturdays excepting federal holidays;

(4) The emissions inspection program shall include a simulated on-road emissions inspection component, including pressure and purge tests, which satisfies the requirements established by regulation of the United States Environmental Protection Agency and may include a visual inspection component;

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate conferees on HB 1301 with Senate Committee Amendment No. 1, are allowed to exceed the differences.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed SCS HB 1302, entitled:

An act relating to certain health care providers.

With Senate Amendment No. 6, Senate Amendment No. 7, Senate Amendment No. 8, Senate Amendment No. 10, Senate Amendment No. 11 and Senate Amendment No. 12.

Senate Amendment No. 6

AMEND Senate Committee Substitute for House Bill No. 1302, Page 1, Section 1, Line 1, by inserting immediately before after all of said line the following:

"354.535. 1. If a pharmacy, operated by or contracted with by a health maintenance organization, is closed or is unable to provide health care services to an enrollee in an emergency, a pharmacist may take an assignment of such enrollee's right to reimbursement, if the policy or contract provides for such reimbursement, for those goods or services provided to an enrollee of a health maintenance organization. No health maintenance organization shall refuse to pay the pharmacist any payment due the enrollee under the terms of the policy or contract.

2. No health maintenance organization, conducting business in the state of Missouri, shall contract with a pharmacy, pharmacy distributor or wholesale drug distributor, nonresident or otherwise, unless such pharmacy or distributor has been granted a permit or license from the Missouri board of pharmacy to operate in this state.

3. Every health maintenance organization shall apply the same coinsurance, copayment and deductible factors to all drug prescriptions filled by a pharmacy provider who participates in the health maintenance organization's network if the provider meets the contract's explicit product cost determination. If any such contract is rejected by any pharmacy provider, the health maintenance organization may offer other contracts necessary to comply with any network adequacy provisions of this act. However, nothing in this section shall be construed to prohibit the health maintenance organization from applying different coinsurance, copayment and deductible factors between generic and brand name drugs.

4. Health maintenance organizations shall not set a limit on the quantity of drugs which an enrollee may obtain at any one time with a prescription, unless such limit is applied uniformly to all pharmacy providers in the health maintenance organization's network.

5. Health maintenance organizations shall not insist or mandate any [provider] physician or other licensed health care practitioner to change an enrollee's maintenance drug unless the provider and enrollee agree to such change. For the purposes of this provision, a maintenance drug shall mean a drug prescribed by a practitioner who is licensed to prescribe drugs, used to treat a medical condition for a period greater than thirty days. Violations of this provision shall be subject to the penalties provided in section 354.444. Notwithstanding other provisions of law to the contrary, health maintenance organizations that change an enrollee's maintenance drug without the consent of the provider and enrollee shall be liable for any damages resulting from such change. Nothing in this subsection, however, shall apply to the dispensing of generically equivalent products for prescribed brand name maintenance drugs as set forth in section 338.056, RSMo.

[6. Notwithstanding any provision to the contrary under subsection 5 of this section, maintenance drugs as described in this section shall not include drugs which are classified as narrow therapeutic index drugs for which the United States Food and Drug Administration has approved a generic substitute.]"; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 7

AMEND Senate Committee Substitute for House Bill No. 1302, Page 5, Section 7, Line 29, by inserting the following at the end of said line:

"Section 8. All individual and group health insurance policies providing coverage on an expense incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, individual and group service contracts issued by a health maintenance organization, all self-insured group arrangements to the extent not preempted by federal law and all managed health care delivery entities of any type or description, that are delivered, issued for delivery, continued or renewed on or after August 28, 1998, shall provide coverage for administration of general anesthesia and hospital charges for dental care provided to the following covered persons:

(1) A child under the age of five;

(2) A person who is severely disabled; or

(3) A person who has a medical or behavioral condition which requires hospitalization or general anesthesia when dental care is provided.

2. Each plan as described in this section must provide coverage for administration of general anesthesia and hospital or office charges for treatment rendered by a dentist, regardless of whether the services are provided in a participating hospital or surgical center or office.

3. Nothing in this section shall prevent a health carrier from requiring prior authorization for hospitalization for dental care procedures in the same manner that prior authorization is required for hospitalization for other covered diseases or conditions.

4. Nothing in this section shall apply to accident-only, dental only plans or other specified disease, hospital indemnity, medicare supplement or long-term care policies, or short term major medical policies of 6 months or less in duration."; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 8

AMEND Senate Committee Substitute for House Bill No. 1302, Page 5, Section 7, Line 29, by inserting after all of said line the following:

"Section 8. Any health insurer, as defined in section 376.806, RSMo nonprofit health service plan or health maintenance organized shall reimburse a claim for services provided by an advanced practice nurse, as defined in section 335.016, RSMo, if such services are within the scope of practice of such nurse."

Senate Amendment No. 10

AMEND Senate Committee Substitute for House Bill No. 1302, Page 3, Section 3, Lines 8-10, by striking all of said lines and inserting in lieu thereof the following: "administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated under the authority of this section, shall become effective only if the agency has fully complied with all of the requirements of chapter 536, RSMo, including but not limited to, section 536.028, RSMo, if applicable, after the effective date of this act. All rulemaking authority delegated prior to the effective date of this act is of no force and effect and repealed as of the effective date of this act, however nothing in this act shall be interpreted to repeal or affect the validity of any rule adopted and promulgated prior to the effective date of this act. If the provisions of section 536.028, RSMo, apply, the provisions of this section are nonseverable and if any of the powers vested with the general assembly pursuant to section 536.028 to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in this act shall affect the validity of any rule adopted and promulgated prior to the effective date of this act.".

Senate Amendment No. 11

AMEND Senate Committee Substitute for House Bill No. 1302, Page 5, Section 7, Line 29, by inserting after all of said line the following:

"5. A provider who is paid interest under this section shall pay the proportionate amount of said interest to the enrollee or insured to the extent and for the time period that the enrollee or insured had paid for the services and for which reimbursement was due to the insured or enrollee."

Senate Amendment No. 12

AMEND Senate Committee Substitute for House Bill No. 1302, Section 7, Page 4, Line 18, by deleting the words "and one-half", and further

Amend said bill and section, page 5, line 29, by deleting the words "and one-half" and further

Amend said bill and section, page 5, line 29, by inserting after said line the following:

"6. This section shall become effective April 1, 1999."

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed HB 1240.

House Journal

Second Regular Session, 89th General Assembly

SEVENTY-FOURTH DAY, Thursday, May 14, 1998

Speaker Gaw in the Chair.

Prayer by Representative T. Mark Elliott.

In the hustle and bustle of the last days of this Session, many times we lose sight of the really important things. I am reminded this week of the 2-year anniversary of the loss of my daughter Haley's best friend, in a tragic accident. We are also reminded that it was just short a year ago that the gentleman from Stoll district suffered the tragic loss of his daughter. These events and others remind us that our work in this place may not be as important as we sometimes make it to be. The stress and anxiety caused by events like these lead me to my favorite scripture which is Isaiah 41:9-13. I will read this for you today because I think it is appropriate.

I took you from the ends of the earth, from its farthest corners I called you. I said, "You are my servant; I have chosen you and have not rejected you. So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand. All who rage against you will surely be ashamed and disgraced; those who oppose you will be as nothing and perish. Though you search for your enemies, you will not find them. Those who wage war against you will be as nothing at all. For I am the Lord, your God, who takes hold of your right hand and says to you, Do not fear; I will help you."

Let us pray.

Father, thank You for this beautiful day that You have given us and thank You for our families that allow us to be here. Watch over them as we finish our week. Father, I pray for those here. Watch over my daughter Haley's friend, Eric Beck, who is in the hospital in Columbia. I also ask that You watch out over our colleague, Sue Shear. We also ask that You guide us with Your wisdom and give us peace.

In Your name, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation:

Josh Grayson, Richard Jobe, Ashley Williams, Brett Knight, Nicole Tennyson, Andy Van Pelt, Marvin Hessenlopp, Maria Donovan, Sam Donovan and Anna Donovan.

The Journal of the seventy-third day was approved as corrected.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed SS SCS HB 1507, entitled:

An act to repeal sections 143.221, 143.521, 144.080, 144.655 and 147.010, RSMo 1994, and section 144.014, RSMo Supp. 1997, relating to the filing requirements for certain tax returns and payments, and to enact in lieu thereof six new sections relating to the same subject.

With Senate Amendment No. 2, Senate Amendment No. 3, Senate Amendment No. 4, Senate Amendment No. 5, Senate Amendment No. 6, Senate Amendment No. 7, Senate Amendment No. 8, Senate Amendment No. 9, Senate Amendment No. 10, Senate Amendment No. 11, Senate Amendment No. 12, Senate Amendment No. 13, Senate Amendment No. 14 and Senate Amendment No. 15.

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1507, Page 1, Section A, Line 5, by inserting immediately after said line the following:

"135.010. As used in sections 135.010 to 135.030 the following words and terms mean:

(1) "Claimant", a person or persons claiming a credit [under] pursuant to sections 135.010 to 135.030. If the persons are eligible to file a joint federal income tax return and reside at the same address at any time during the taxable year, then the credit may only be allowed if claimed on a combined Missouri income tax return or a combined claim return reporting their combined incomes and property taxes. A claimant shall not be allowed a property tax or pharmaceutical tax credit unless the claimant or spouse has attained the age of sixty-five on or before the last day of the calendar year and the claimant or spouse was a resident of Missouri for the entire year, or the claimant or spouse is a veteran of any branch of the armed forces of the United States or this state who became one hundred percent disabled as a result of such service, or the claimant or spouse is disabled as defined in subdivision (2) of this section, and such claimant or spouse provides proof of such disability in such form and manner, and at such times, as the director of revenue may require. The residency requirement shall be deemed to have been fulfilled for the purpose of determining the eligibility of a surviving spouse for a property tax credit if a person of the age of sixty-five years or older who would have otherwise met the requirements for a property tax credit dies before the last day of the calendar year. The residency requirement shall also be deemed to have been fulfilled for the purpose of determining the eligibility of a claimant who would have otherwise met the requirements for a property tax credit but who dies before the last day of the calendar year;

(2) "Disabled", the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months. A claimant shall not be required to be gainfully employed prior to such disability to qualify for a property tax credit;

(3) "Gross rent", amount paid by a claimant to a landlord for the rental, at arm's length, of a homestead during the calendar year, exclusive of charges for health and personal care services and food furnished as part of the rental agreement, whether or not expressly set out in the rental agreement. If the director of revenue determines that the landlord and tenant have not dealt at arm's length, and that the gross rent is excessive, then [he] the director shall determine the gross rent based upon a reasonable amount of rent. Gross rent shall be deemed to be paid only if actually paid prior to the date a return is filed. The director of revenue may prescribe regulations requiring a return of information by a landlord receiving rent, certifying for a calendar year the amount of gross rent received from a tenant claiming a property tax credit and shall, by regulation, provide a method for certification by the claimant of the amount of gross rent paid for any calendar year for which a claim is made. The regulations authorized by this subdivision may require a landlord or a tenant or both to provide data relating to health and personal care services and to food. Neither a landlord nor a tenant may be required to provide data relating to utilities, furniture, home furnishings or appliances;

(4) "Homestead", the dwelling in Missouri owned or rented by the claimant and not to exceed five acres of land surrounding it as is reasonably necessary for use of the dwelling as a home. It may consist of part of a multidwelling or multipurpose building and part of the land upon which it is built. "Owned" includes a vendee in possession [under] pursuant to a land contract and one or more tenants by the entireties, joint tenants, or tenants in common and includes a claimant actually in possession if [he] the claimant was the immediate former owner of record, if a lineal descendant is presently the owner of record, and if the claimant actually pays all taxes upon the property. It may include a mobile home;

(5) "Income", Missouri adjusted gross income as defined in section 143.121, RSMo, less two thousand dollars as an exemption for the claimant's spouse residing at the same address, and increased, where necessary, to reflect the following:

(a) Social security, railroad retirement, and veterans payments and benefits unless the claimant is a one hundred percent service-connected, disabled veteran or a spouse of a one hundred percent service-connected, disabled veteran. The one hundred percent service-connected disabled veteran shall not be required to list veterans payments and benefits;

(b) The total amount of all other public and private pensions and annuities;

(c) Public relief, public assistance, and unemployment benefits received in cash, other than benefits received [under] pursuant to this chapter;

(d) No deduction being allowed for losses not incurred in a trade or business;

(e) Interest on the obligations of the United States, any state, or any of their subdivisions and instrumentalities;

(6) "Prescription drugs", prescription drugs ordered by a licensed physician, and any insulin and syringes and needles used to administer the insulin;

[(6)] (7) "Property taxes accrued", property taxes paid, exclusive of special assessments, penalties, interest, and charges for service levied on a claimant's homestead in any calendar year. Property taxes shall qualify for the credit only if actually paid prior to the date a return is filed. The director of revenue shall require a tax receipt or other proof of property tax payment. If a homestead is owned only partially by claimant, then "property taxes accrued" is that part of property taxes levied on the homestead which was actually paid by the claimant. For purposes of this subdivision, property taxes are "levied" when the tax roll is delivered to the director of revenue for collection. If a claimant owns a homestead part of the preceding calendar year and rents it or a different homestead for part of the same year, "property taxes accrued" means only taxes levied on the homestead both owned and occupied by the claimant, multiplied by the percentage of twelve months that such property was owned and occupied as the homestead of the claimant during the year. When a claimant owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of taxes allocable to those several properties occupied by the claimant as a homestead for the year. If a homestead is an integral part of a larger unit such as a farm, or multipurpose or multidwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For purposes of this subdivision "unit" refers to the parcel of property covered by a single tax statement of which the homestead is a part;

[(7)] (8) "Rent constituting property taxes accrued", twenty percent of the gross rent paid by a claimant and spouse in the calendar year.

135.015. Procedural matters related to filing a claim [under] pursuant to sections 135.010 to 135.030, including refunds, deficiencies, interest, contents of returns, limitations, and penalties shall be determined pursuant to sections 143.481 to [143.996] 143.1012, RSMo, applicable to the income tax. The credit regarding the property taxes or pharmaceutical expenses of a calendar year may only be claimed on a return for the calendar year or for a claimant's return for a fiscal year that includes the end of the calendar year.

135.020. A credit for property taxes and pharmaceutical expenses shall be allowed for the amount provided in section 135.030. If the amount allowable as a credit exceeds the income tax reduced by other credits, then the excess shall be considered an overpayment of the income tax.

135.030. 1. As used in this section:

(1) The term "maximum upper limit" shall, in the calendar year 1989, be the sum of thirteen thousand five hundred dollars. For each calendar year through December 31, 1992, the maximum upper limit shall be increased by five hundred dollars per year. For each calendar year after December 31, 1992, the maximum upper limit shall be the sum used on December 31, 1992;

(2) The term "minimum base" shall, in the calendar year 1989, be the sum of five thousand dollars. For each succeeding calendar year through December 31, 1992, the minimum base shall be increased, in one-hundred-dollar increments, by the same percentage as the increase in the general price level as measured by the Consumer Price Index for all urban consumers for the United States, or its successor index, as defined and officially recorded by the United States Department of Labor, or its successor agency, or five percent, whichever is greater. The increase in the index shall be that as first published by the Department of Labor for the calendar year immediately preceding the year in which the minimum base is calculated. For each calendar year after December 31, 1992, the minimum base shall be the sum used on December 31, 1992.

2. When calculating the minimum base for purposes of this section, whenever the increase in the Consumer Price Index used in the calculation would result in a figure which is greater than one one-hundred-dollar increment but less than another one-hundred-dollar increment, the director of revenue shall always round that figure off to the next higher one-hundred-dollar increment when determining the table of credits [under] pursuant to this section.

3. If the income on a return is equal to or less than the maximum upper limit for the calendar year for which the return is filed, the property tax credit shall be determined from a table of credits based upon the amount by which the total property tax described in section 135.025 exceeds the percent of income in the following list:

If the income on the return is:	The percent is:
Not over the minimum base	0 percent with credit not to exceed actual property tax or rent equivalent paid up to $750

Over the minimum base but 1/8 percent accumulative

not over the maximum upper per $200 from 0 percent to 2 percent; 1/4 percent

limit accumulative per $200 from

2 percent to 4 percent.

The director of revenue shall prescribe a table based upon the preceding sentences. The property tax shall be in increments of twenty-five dollars and the income in increments of two hundred dollars. The credit shall be the amount rounded to the nearest whole dollar computed on the basis of the property tax and income at the midpoints of each increment. As used in this subsection, the term "accumulative" means an increase by continuous or repeated application of the percent to the income increment at each two-hundred-dollar level.

4. The pharmaceutical credit allowed pursuant to sections 135.010 to 135.030 shall be equal to the total amount spent on purchasing prescription drugs in any calendar year less any reimbursement from other sources and less one percent of income as defined in section 135.010. The pharmaceutical credit allowed a claimant pursuant to sections 135.010 to 135.030 shall not exceed seven hundred fifty dollars. A claimant's spouse residing at the same address as claimant shall also be eligible for the pharmaceutical credit and any such eligible spouse shall calculate such credit using the same income as that used by the claimant."; and

Further amend said bill, page 14, section 147.010, line 21, by inserting immediately after said line the following:

"Section B. The provisions of section 135.010 shall become effective January 1, 1999."; and

4. All revenue losses of any political subdivision resulting from the limitation on assessed valuations contained in this section shall be reimbursed to those political subdivisions by the state of Missouri through appropriations. Data substantiating revenue losses resulting from the limitation on assessed valuations as contained in this section shall be provided to the state auditor in such form as shall be prescribed by the state auditor by rule pursuant to chapter 536, RSMo. The required data shall be submitted for each political subdivision levying a property tax and shall be submitted by either the county or the individual taxing authority as requested by the state auditor. Senate Amendment No. 15

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1507, Page 5, Section 143.521, Line 8 of said page, by inserting immediately after said line the following:

"144.010. 1. The following words, terms, and phrases when used in sections 144.010 to 144.510 have the meanings ascribed to them in this section, except when the context indicates a different meaning:

(1) "Admission" includes seats and tables, reserved or otherwise, and other similar accommodations and charges made therefor and amount paid for admission, exclusive of any admission tax imposed by the federal government or by sections 144.010 to 144.510;

The provisions of this subdivision shall not be construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

(3) "Gross receipts", except as provided in section 144.012, means the total amount of the sale price of the sales at retail including any services other than charges incident to the extension of credit that are a part of such sales made by the businesses herein referred to, capable of being valued in money, whether received in money or otherwise; except that, the term "gross receipts" shall not include the sale price of property returned by customers when the full sale price thereof is refunded either in cash or by credit. In determining any tax due under sections 144.010 to 144.510 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.510 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

(4) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as defined in section 277.024, RSMo, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, or rabbits raised in confinement for human consumption;

(5) "Motor vehicle leasing company" shall be a company obtaining a permit from the director of revenue to operate as a motor vehicle leasing company. Not all persons renting or leasing trailers or motor vehicles need to obtain such a permit; however, no person failing to obtain such a permit may avail itself of the optional tax provisions of subsection 5 of section 144.070, as hereinafter provided;

(6) "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, municipal or private, and whether organized for profit or not, state, county, political subdivision, state department, commission, board, bureau or agency, except the state highways and transportation department, estate, trust, business trust, receiver or trustee appointed by the state or federal court, syndicate, or any other group or combination acting as a unit, and the plural as well as the singular number;

(7) "Product" means tangible personal property, or any service that is subject to state or local sales or use taxes, or any tax that is substantially equivalent thereto, in this state, or in any other state;

[(8)] (9) "Sale" or "sales" includes installment and credit sales, and the exchange of properties as well as the sale thereof for money, every closed transaction constituting a sale, and means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property for valuable consideration and the rendering, furnishing or selling for a valuable consideration any of the substances, things and services herein designated and defined as taxable under the terms of sections 144.010 to 144.510;

[(9)] (10) "Sale at retail" means any transfer made by any person engaged in business as defined herein of the ownership of, or title to, tangible personal property to the purchaser, for use or consumption and not for resale in any form as tangible personal property, for a valuable consideration; except that, for the purposes of sections 144.010 to 144.510 and the tax imposed thereby: (i) purchases of tangible personal property made by duly licensed physicians, dentists, optometrists and veterinarians and used in the practice of their professions shall be deemed to be purchases for use or consumption and not for resale; and (ii) the selling of computer printouts, computer output or microfilm or microfiche and computer assisted photo compositions to a purchaser to enable the purchaser to obtain for his own use the desired information contained in such computer printouts, computer output on microfilm or microfiche and computer assisted photo compositions shall be considered as the sale of a service and not as the sale of tangible personal property. Where necessary to conform to the context of sections 144.010 to 144.510 and the tax imposed thereby, the term "sale at retail" shall be construed to embrace:

(a) Sales of admission tickets, cash admissions, charges and fees to or in places of amusement, entertainment and recreation, games and athletic events;

(b) Sales of electricity, electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers;

(f) Sales of tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane, and such buses and trucks as are licensed by the transportation division of the department of economic development of Missouri, engaged in the transportation of persons for hire;

[(10)] (11) "Seller" means a person selling or furnishing tangible personal property or rendering services, on the receipts from which a tax is imposed under section 144.020;

[(11)] (12) The noun "tax" means either the tax payable by the purchaser of a commodity or service subject to tax, or the aggregate amount of taxes due from the vendor of such commodities or services during the period for which he is required to report his collections, as the context may require.

2. For purposes of the taxes imposed under sections 144.010 to 144.510, and any other provisions of law pertaining to sales or use taxes which incorporate the provisions of sections 144.010 to 144.510 by reference, the term "manufactured homes" shall have the same meaning given it in section 700.010, RSMo.

2. The division of special education within the department of elementary and secondary education shall develop a program to provide a vision specialist in education, available at each regional professional development center.

3. The role of the vision specialist in education is as follows:

Assistive computing technology is not an alternative to instruction of braille skills, but a necessary supplement. The student's individualized education plan shall specify:

House Amendment No. 5

AMEND House Substitute for Senate Committee Substitute for Senate Bill No. 561, Page 9, Section 1, Line 3 by inserting after all of said section the following:

"Section B. Chapter 190, RSMo, is amended by adding thereto five new sections, to be known as sections 190.400, 190.410, 190.420, 190.430 and 190.440, to read as follows:

190.400. As used in sections 190.400 to 190.440, the following words and terms shall mean:

(1) "911", the primary emergency telephone number within the wireless system;

(2) "Board", the wireless service provider enhanced 911 advisory board;

(3) "Public safety agency", a functional division of a public agency which provides fire fighting, police, medical or other emergency services. For the purpose of providing wireless service to users of 911 emergency services, as expressly provided in this section, the department of public safety and state highway patrol shall be considered a public safety agency;

(4) "Public safety answering point", the location at which 911 calls are initially answered;

(5) "Wireless service provider", a provider of commercial mobile service pursuant to section 332(d) of the Federal Telecommunications Act of 1996 (47 U.S.C. Section 151 et seq).

190.410. 1. There is hereby created in the department of public safety the "Wireless Service Provider Enhanced 911 Advisory Board", consisting of eight members as follows:

(1) The director of the department of public safety or the director's designee who shall hold a position of authority in such department of at least a division director;

(2) The chairperson of the public service commission or the chairperson's designee; except that such designee shall be a commissioner of the public service commission or hold a position of authority in the commission of at least a division director;

(3) Three representatives and one alternate from the wireless service providers, elected by a majority vote of wireless service providers licensed to provide service in this state; and

(4) Three representatives from public service answering point organizations, elected by the members of the state chapter of the associated public safety communications officials and the state chapter of the National Emergency Numbering Association.

2. Immediately after the board is established the initial term of membership for a member elected pursuant to subdivision (3) of subsection 1 of this section shall be one year and all subsequent terms for members so elected shall be two years. The membership term for a member elected pursuant to subdivision (4) of subsection 1 of this section shall initially and subsequently be two years. Each member shall serve no more than two successive terms unless the member is on the board pursuant to subdivision (1) or (2) of subsection 1 of this section. Members of the board shall serve without compensation, however, the members may receive reimbursement of actual and necessary expenses. Any vacancies on the board shall be filled in the manner provided for in this subsection.

3. The board shall do the following:

(1) Elect from its membership a chair and other such officers as the board deems necessary for the conduct of its business;

(2) Meet at least one time per year for the purpose of discussing the implementation of Federal Communications Commission order 94-102;

(3) Advise the office of administration regarding implementation of federal communications commission order 94-102; and

(4) Provide any requested mediation service to a political subdivision which is involved in a jurisdictional dispute regarding the providing of wireless 911 services. The board shall not supersede decision-making authority of any political subdivision in regard to 911 services.

4. The director of the department of public safety shall provide and coordinate staff and equipment services to the board to facilitate the board's duties.

190.420. 1. There is hereby established in the state treasury a fund to be known as the "Wireless Service Provider Enhanced 911 Service Fund". All fees collected pursuant to sections 190.400 to 190.440 by wireless service providers shall be remitted to the director of the department of revenue. The director shall remit such payments to the state treasurer.

2. The state treasurer shall deposit such payments into the wireless service provider enhanced 911 service fund. Moneys in the fund shall be used for the purpose of reimbursing expenditures actually incurred in the implementation and operation of the wireless service provider enhanced 911 system.

3. Any unexpended balance in the fund shall be exempt from the provisions of section 33.080, RSMo, relating to the transfer of unexpended balances to the general revenue fund, and shall remain in the fund. Any interest earned on the moneys in the fund shall be deposited into the fund.

190.430. 1. The commissioner of the office of administration is authorized to establish a fee, if approved by the voters pursuant to section 190.440, not to exceed fifty cents per wireless telephone number per month to be collected by wireless service providers from wireless service customers.

2. The office of administration shall promulgate rules and regulations to administer the provisions of sections 190.400 to 190.440. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated pursuant to the authority delegated in sections 190.400 to 190.440 shall become effective only if it has been promulgated pursuant to the provisions of chapter 536, RSMo. All rulemaking authority delegated prior to the effective date of this section is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to the effective date of this section if it fully complied with the provisions of chapter 536, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

3. The office of administration is authorized to administer the fund and to distribute the moneys in the wireless service provider enhanced 911 service fund for approved expenditures as follows:

(1) For the reimbursement of actual expenditures for implementation of wireless enhanced 911 service by wireless service providers in implementing Federal Communications Commission order 94-102; and

(2) To subsidize and assist the public safety answering points based on a formula established by the office of administration, which may include, but is not limited to the following:

(a) The volume of wireless 911 calls received by each public safety answering point;

(b) The population of the public safety answering point jurisdiction;

(c) The number of wireless telephones in a public safety answering point jurisdiction by zip code; and

(d) Any other criteria found to be valid by the office of administration;

(3) For the reimbursement of actual expenditures for equipment for implementation of wireless enhanced 911 service by public safety answering points to the extent that funds are available, provided that ten percent of funds distributed to public safety answering points shall be distributed in equal amounts to each public safety answering point participating in enhanced 911 service;

(4) Notwithstanding any other provision of the law, no proprietary information submitted pursuant to this section shall be subject to subpoena or otherwise released to any person other than to the submitting wireless service provider, without the express permission of said wireless service provider. General information collected pursuant to this section shall only be released or published in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to an individual wireless service provider.

4. Wireless service providers are entitled to retain one percent of the surcharge money they collect for administrative costs associated with billing and collection of the surcharge.

5. No more than five percent of the moneys in the fund, subject to appropriation by the general assembly, shall be retained by the office of administration for reimbursement of the costs of overseeing the fund and for the actual and necessary expenses of the board.

6. The office of administration shall review the distribution formula once every year and may adjust the amount of the fee within the limits of section 190.430, as determined necessary.

7. The provisions of sections 190.307 and 190.308 shall be applicable to programs and services authorized by sections 190.400 to 190.440.

8. Notwithstanding any other provision of the law, in no event shall any wireless service provider, its officers, employees, assigns or agents, be liable for any form of civil damages or criminal liability which directly or indirectly result from, or is caused by, an act or omission in the development, design, installation, operation, maintenance, performance or provision of 911 service or other emergency wireless two- and three-digit wireless numbers, unless said acts or omissions constitute gross negligence, recklessness or intentional misconduct. Nor shall any wireless service provider, its officers, employees, assigns, or agents be liable for any form of civil damages or criminal liability which directly or indirectly result from, or is caused by, the release of subscriber information to any governmental entity as required under the provisions of this act unless the release constitutes gross negligence, recklessness or intentional misconduct.

190.440. 1. The office of administration shall not be authorized to establish a fee pursuant to the authority granted in section 190.430 unless a ballot measure is submitted and approved by the voters of this state. The ballot measure shall be submitted by the secretary of state for approval or rejection at the general election held and conducted on the Tuesday immediately following the first Monday in November, 1998, or at a special election to be called by the governor on the ballot measure. If the measure is rejected at such general or special election, the measure may be resubmitted at each subsequent general election, or may be resubmitted at any subsequent special election called by the governor on the ballot measure, until such measure is approved.

2. The ballot of the submission shall contain, but is not limited to, the following language:

Shall the Missouri office of administration be authorized to establish a fee of up to fifty cents per month to be charged every wireless telephone number for the purpose of funding wireless enhanced 911 service?

Yes No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

3. If a majority of the votes cast on the ballot measure by the qualified voters voting thereon are in favor of such measure, then the office of administration shall be authorized to establish a fee pursuant to section 190.430, and the fee shall be effective on January 1, 1999, or the first day of the month occurring at least thirty days after the approval of the ballot measure. If a majority of the votes cast on the ballot measure by the qualified voters voting thereon are opposed to the measure, then the office of administration shall have no power to establish the fee unless and until the measure is approved.

Section C. Because immediate action is necessary to provide enhanced wireless service to users of 911 emergency services this section is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section B of this act shall be in full force and effect upon its passage and approval."; and

Further amend the title and enacting clause accordingly.

210.720. 1. In the case of a child who has been placed in the custody of [an] the division of family services in accordance with subdivision (17) of subsection 1 of section 207.020, RSMo, or another authorized agency by a court or who has been placed in foster care by a court, every six months after the placement, the foster family, group home, agency, or child care institution with which the child is placed shall file with the court a written report on the status of the child[, and]. The court shall review the report and shall hold a [dispositional] permanency hearing within [eighteen] twelve months of initial placement and at least annually thereafter. The [dispositional] permanency hearing shall be for the purpose of determining in accordance with the best interests of the child a permanent plan for the placement of the child, including whether or not the child should be continued in foster care or whether the child should be returned to a parent, guardian or relative, or whether or not proceedings should be instituted by either the juvenile officer or the division to terminate parental rights and legally free such child for adoption.

2. In such [dispositional] permanency hearings the court shall consider all relevant factors including:

(1) The interaction and interrelationship of the child with [his] the child's foster parents, [his] parents, [his] siblings, and any other person who may significantly affect the child's best interests;

(2) The child's adjustment to his or her foster home, school and community;

(3) The mental and physical health of all individuals involved, including any history of abuse of any individuals involved; and

(4) The needs of the child for a continuing relationship with [his] the child's parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child.

3. The judge shall make written findings of fact and conclusions of law in any [final disposition] order pertaining to the placement of the child.

211.171. 1. The procedure to be followed at the hearing shall be determined by the juvenile court judge and may be as formal or informal as he or she considers desirable. [He] The judge may take testimony and inquire into the habits, surroundings, conditions and tendencies of the child and the family to enable the court to render such order or judgment as will best promote the welfare of the child and carry out the objectives of this chapter.

2. The hearing may, in the discretion of the court, proceed in the absence of the child and may be adjourned from time to time.

3. The current foster parents of a child, or any preadoptive parent or relative currently providing care for the child, shall be provided with notice of, and an opportunity to be heard in, any permanency or other review hearing to be held with respect to the child. This subsection shall not be construed to require that any such foster parent, preadoptive parent or relative providing care for a child be made a party to the case solely on the basis of such notice and opportunity to be heard.

4. All cases of children shall be heard separately from the trial of cases against adults.

[4.] 5. Stenographic notes or an authorized recording of the hearing shall be required if the court so orders or if requested by any party interested in the proceeding.

[5.] 6. The general public shall be excluded and only such persons admitted as have a direct interest in the case or in the work of the court except in cases where the child is accused of conduct which, if committed by an adult, would be considered a class A or B felony; or for conduct which would be considered a class C felony, if the child has previously been formally adjudicated for the commission of two or more unrelated acts which would have been class A, B or C felonies, if committed by an adult.

[6.] 7. The practice and procedure customary in proceedings in equity shall govern all proceedings in the juvenile court.

[7.] 8. The court shall allow the victim of any offense to submit a written statement to the court. The court shall allow the victim to appear before the court personally or by counsel for the purpose of making a statement, unless the court finds that the presence of the victim would not serve justice. The statement shall relate solely to the facts of the case and any personal injuries or financial loss incurred by the victim. A member of the immediate family of the victim may appear personally or by counsel to make a statement if the victim has died or is otherwise unable to appear as a result of the offense committed by the child.

211.183. 1. In juvenile court proceedings regarding the removal of a child from his or her home, the [order of

disposition] court's order shall include a determination of whether the division of family services has made reasonable efforts to prevent or eliminate the need for removal of the child and, after removal, to make it possible for the child to return home. If the first contact with the family occurred during an emergency in which the child could not safely remain at home even with reasonable in-home services, the division shall be deemed to have made reasonable efforts to prevent or eliminate the need for removal.

2. "Reasonable efforts" means the exercise of reasonable diligence and care by the division to utilize all available services related to meeting the needs of the juvenile and the family. In determining reasonable efforts to be made and in making such reasonable efforts, the child's present and ongoing health and safety shall be the paramount consideration.

3. In support of its determination of whether reasonable efforts have been made, the court shall enter findings, including a brief description of what preventive or reunification efforts were made and why further efforts could or could not have prevented or shortened the separation of the family. The division shall have the burden of demonstrating reasonable efforts.

4. The juvenile court may authorize the removal of the child even if the preventive and reunification efforts of the division have not been reasonable, but further efforts could not permit the child to remain at home.

5. Before a child may be removed from the parent, guardian, or custodian of the child by order of a juvenile court, excluding commitments to the division of youth services, the court shall in its orders:

(1) State whether removal of the child is necessary to protect the child and the reasons therefor;

(2) Describe the services available to the family before removal of the child, including in-home services;

(3) Describe the efforts made to provide those services relevant to the needs of the family before the removal of the child;

(4) State why efforts made to provide family services described did not prevent removal of the child; and

(5) State whether efforts made to prevent removal of the child were reasonable, based upon the needs of the family and child.

6. If continuation of reasonable efforts, as described in this section, is determined by the division to be inconsistent with establishing a permanent placement for the child, the division shall take such steps as are deemed necessary by the division, including seeking modification of any court order to modify the permanency plan for the child.

7. The division shall not be required to make reasonable efforts, as defined in this section, but has the discretion to make reasonable efforts if a court of competent jurisdiction has determined that:

(1) The parent has subjected the child to a severe act or recurrent acts of physical, emotional or sexual abuse toward the child, including an act of incest; or

(2) The parent has:

(a) Committed murder of another child of the parent;

(b) Committed voluntary manslaughter of another child of the parent;

(c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter; or

(d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent; or

(3) The parent's parental rights to a sibling have been involuntarily terminated.

8. If the court determines that reasonable efforts, as described in this section, are not required to be made by the division, the court shall hold a permanency hearing within thirty days after the court has made such determination. The division shall complete whatever steps are necessary to finalize the permanent placement of the child.

9. The division may concurrently engage in reasonable efforts, as described in this section, while engaging in such other measures as are deemed appropriate by the division to establish a permanent placement for the child.

211.447. 1. Any information that could justify the filing of a petition to terminate parental rights may be referred to the juvenile officer by any person. The juvenile officer shall make a preliminary inquiry and [may file a petition to terminate parental rights.] if it does not appear to the juvenile officer that a petition should be filed, such officer shall so notify the informant in writing within thirty days of the referral. Such notification shall include the reasons that the petition will not be filed. Thereupon, the informant may bring the matter directly to the attention of the judge of the juvenile court by presenting the information in writing, and if it appears to the judge that the information could justify the filing of a petition, the judge may order the juvenile officer to take further

action, including making a further preliminary inquiry or filing a petition.

2. [The juvenile court may terminate the rights of a parent to a child upon a petition filed by the juvenile officer, or in adoption cases, by a prospective parent, if the court finds that the termination is in the best interests of the child and when it appears by clear, cogent and convincing evidence that one or more of the following grounds for termination exist:] Except as provided for in subsection 3 of this section, a petition to terminate the parental rights of the child's parent or parents shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, when:

(1) Information available to the juvenile officer or the division establishes that the child has been in foster care for at least fifteen of the most recent twenty-two months; or

(2) A court of competent jurisdiction has determined the child to be an abandoned infant. For purposes of this subdivision, an "infant" means any child one year of age or under at the time of filing of the petition. The court may find that an infant has been abandoned if:

(a) The parent has left the child under circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so; or

(3) A court of competent jurisdiction has determined that the parent has:

(a) Committed murder of another child of the parent; or

(b) Committed voluntary manslaughter of another child of the parent; or

(c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter; or

(d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent.

3. If grounds exist for termination of parental rights pursuant to subsection 2 of this section, the juvenile officer or the division may, but is not required to, file a petition to terminate the parental rights of the child's parent or parents if:

(1) The child is being cared for by a relative; or

(2) There exists a compelling reason for determining that filing such a petition would not be in the best interest of the child, as documented in the permanency plan which shall be made available for court review; or

(3) The family of the child has not been provided such services as provided for in section 211.183.

4. The juvenile officer or the division may file a petition to terminate the parental rights of the child's parent when it appears that one or more of the following grounds for termination exist:

(1) The child has been abandoned. For purposes of this subdivision a "child" means any child over one year of age at the time of filing of the petition. The court shall find that the child has been abandoned if, for a period of six months or longer [for a child over one year of age or a period of sixty days or longer for a child under one year of age at the time of the filing of the petition]:

(a) The parent has left the child under such circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so;

(2) The child has been abused or neglected. In determining whether to terminate parental rights [under] pursuant to this subdivision, the court shall consider and make findings on the following conditions or acts of the parent:

(a) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(b) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control of the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control;

(c) A severe act or recurrent acts of physical, emotional or sexual abuse toward the child or any child in the family by the parent, including an act of incest, or by another under circumstances that indicate that the parent knew or should have known that such acts were being committed toward the child or any child in the family; or

(d) Repeated or continuous failure by the parent, although physically or financially able, to provide the child with adequate food, clothing, shelter, or education as defined by law, or other care and control necessary for the child's physical, mental, or emotional health and development;

(3) The child has been under the jurisdiction of the juvenile court for a period of one year, and the court finds that the conditions which led to the assumption of jurisdiction still persist, or conditions of a potentially harmful nature continue to exist, that there is little likelihood that those conditions will be remedied at an early date so that the child can be returned to the parent in the near future, or the continuation of the parent-child relationship greatly diminishes the child's prospects for early integration into a stable and permanent home. In determining whether to terminate parental rights under this subdivision, the court shall consider and make findings on the following:

(a) The terms of a social service plan entered into by the parent and the division and the extent to which the parties have made progress in complying with those terms;

(b) The success or failure of the efforts of the juvenile officer, the division or other agency to aid the parent on a continuing basis in adjusting his circumstances or conduct to provide a proper home for the child;

(c) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(d) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control over the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control; or

(4) The parent has been found guilty or pled guilty to a felony violation of chapter 566, RSMo, when the child or any child in the family was a victim, or a violation of section 568.020, RSMo, when the child or any child in the family was a victim. As used in this subdivision, a child means any person who was under eighteen years of age at the time of the crime and who resided with such parent or was related within the third degree of consanguinity or affinity to such parent; or

(5) The child was conceived and born as a result of an act of forcible rape. When the biological father has pled guilty to, or is convicted of, the forcible rape of the birth mother, such a plea or conviction shall be conclusive evidence supporting the termination of the biological father's parental rights; or

(6) The parent is unfit to be a party to the parent and child relationship because of a consistent pattern of committing a specific abuse, including but not limited to, abuses as defined in section 455.010, RSMo, child abuse or drug abuse before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental or emotional needs of the child. It is presumed that a parent is unfit to be a party to the parent-child relationship upon a showing that within a three-year period immediately prior to the termination adjudication, the parent's parental rights to one or more other children were involuntarily terminated [under] pursuant to subsection 2 or 3 of this section or subdivisions (1), (2), (3) or (4) of subsection 4 of this section or similar laws of other states.

5. The juvenile court may terminate the rights of a parent to a child upon a petition filed by the juvenile officer or the division, or in adoption cases, by a prospective parent, if the court finds that the termination is in the best interest of the child and when it appears by clear, cogent and convincing evidence that grounds exist for termination pursuant to subsection 2, 3 or 4 of this section.

[3.] 6. When considering whether to terminate the parent-child relationship pursuant to [subdivision (1), (2), (3), (4) or (5) of subsection 2] subsection 2 or 3 of this section or subdivision (1), (2), (3) or (4) of subsection 4 of this section, the court shall evaluate and make findings on the following factors, when appropriate and applicable to the case:

(1) The emotional ties to the birth parent;

(2) The extent to which the parent has maintained regular visitation or other contact with the child;

(3) The extent of payment by the parent for the cost of care and maintenance of the child when financially able to do so including the time that the child is in the custody of the division or other child-placing agency;

(4) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time;

(5) The parent's disinterest in or lack of commitment to the child;

(6) The conviction of the parent of a felony offense that the court finds is of such a nature that the child will be deprived of a stable home for a period of years; provided, however, that incarceration in and of itself shall not be grounds for termination of parental rights;

(7) Deliberate acts of the parent or acts of another of which the parent knew or should have known that

subjects the child to a substantial risk of physical or mental harm.

[4.] 7. The court may attach little or no weight to infrequent visitations, communications, or contributions. It is irrelevant in a termination proceeding that the maintenance of the parent-child relationship may serve as an inducement for the parent's rehabilitation.

[5.] 8. In actions for adoption [under] pursuant to chapter 453, RSMo, the court may hear and determine the issues raised in a petition for adoption containing a prayer for termination of parental rights filed with the same effect as a petition permitted [under subsection 2] pursuant to subsection 2, 3 or 4 of this section.

453.010. 1. Unless the person sought to be adopted is a child who is under the prior and continuing jurisdiction of a court pursuant to the provisions of chapter 211, RSMo, any person desiring to adopt another person as his or her child shall petition the juvenile division of the circuit court of the county in which:

(1) The person seeking to adopt resides;

(2) The child sought to be adopted was born;

(3) The child is located at the time of the filing of the petition; or

(4) Either birth person resides.

2. A petition to adopt shall not be dismissed or denied on the grounds that the petitioner is not domiciled or does not reside in any of the venues set forth in subdivision (2), (3) or (4) of subsection 1 of this section.

3. If the person sought to be adopted is a child who is under the prior and continuing jurisdiction of a court pursuant to the provision of chapter 211, RSMo, any person desiring to adopt such person as his or her child shall petition the juvenile division of the circuit court which has jurisdiction over the child for permission to adopt such person as his or her child. Upon receipt of a motion from the petitioner and consent of the receiving court, the juvenile division of the circuit court which has jurisdiction over the child may transfer jurisdiction to the juvenile division of a circuit court within any of the alternative venues set forth in subsection 1 of this section.

[3.] 4. If the petitioner has a spouse living and competent to join in the petition, such spouse may join therein, and in such case the adoption shall be by them jointly. If such a spouse does not join the petition the court in its discretion may, after a hearing, order such joinder, and if such order is not complied with may dismiss the petition.

[4.] 5. Upon receipt of a properly filed petition, a court, as defined in section 453.010, shall hear [said] such petition in a timely fashion. A court or any child placing agency shall not deny or delay the placement of a child for adoption when an approved family is available, regardless of the approved family's residence or domicile.

Section C. Because immediate action is necessary to comply with changes in the federal law section B of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section A of this act shall be in full force and effect on July 1, 1998, or upon its passage and approval, whichever later occurs.".

House Journal

Second Regular Session, 89th General Assembly

SEVENTY-FIFTH DAY, Friday, May 15, 1998

Representative DeMarce in the Chair.

Prayer by Reverend Cheryl L. Tatham.

Gracious God, this morning's news brings us an awareness of a family anxiously awaiting the identity of an unknown soldier; it brings us awareness of a continually volatile and violent situation between Palestinians and Israelis - and it brings us the awareness of the passing of a legend in Ol' Blue Eyes, Frank Sinatra.

The world continues to revolve around us as we draw this last day to a close. Within only a few hours the work of this Chamber will be finished for this session. We are only a part of the bigger picture, but what has been enacted here impacts many - children, youth, the elderly, and all of us in between.

Always keep us mindful, O God, that this world is an interconnected family - and that what we do is not done in isolation, but has ripple effects, not only from day to day, but from generation to generation.

As this session closes, bless those who have served faithfully and will leave this House for the last time; bless those who will return to serve again, bless the support staff whose hard work has allowed the business of this House to run smoothly; and let us be reminded and thankful for the democratic process which allows us to enjoy the freedom of choices. Let us be assured that what has been done in days past and what will be done in days to come now rests in Your hands. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Justin Bear, Brittany Hale, Chris James, Samantha Lane, Lee McFadden, Blake McFadden, Whitney Bartlow, Ryan Brett Kauffman, Rachel Elizabeth Kauffman, Maggie Cely, Mary Trotter, Amanda Trotter, Carla Brotherton, Cullan May, Allison May, Ashton Albert, Lauren Zelazek and Casey Huntington.

The Journal of the seventy-fourth day was approved as corrected.

The balance of the [original contribution]* ***principal balance****, together with all undistributed income shall be distributed to the charitable trust.*

(10) In the event the trust is created as a result of the recovery of damages by reason of a personal injury to the life beneficiary, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, the state of Missouri shall receive all amounts remaining in the trust up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the trust, an amount equal to one hundred percent of the [original contribution] ***principal balance*** *shall be distributed to such person or persons who are the life beneficiary's heirs at law. The balance, if any, of the [original contribution]* ***principal balance****, together with all undistributed income shall be distributed to the charitable trust. The balance of the [original contribution]* ***principal balance****, together with all undistributed income, shall be distributed to the charitable trust.*

(11) Upon receipt of a notice of withdrawal from a designated cotrustee, other than the original donor, and a determination by the board of trustees that the reason for such withdrawal is good and sufficient, or upon the issuance of notice of termination by the board of trustees, the board of trustees shall distribute and pay over to the designated trustee of the successor trust the applicable portion of the [original contribution, reduced by any distributions or encroachments of principal previously made for the benefit of the beneficiary] ***principal balance****; provided, however, that court approval of distribution to a successor trustee shall be required in connection with any trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo. The designated trustee of the successor trust shall hold, administer and distribute the principal and income of the successor trust, in the discretion of such trustee, for the maintenance, support, health, education and general well-being of the beneficiary, recognizing that it is the purpose of the successor trust to supplement, not replace, any government benefits for the beneficiary's basic support to which such beneficiary may be entitled and to increase the quality of such beneficiary's life by providing [him]* ***the beneficiary*** *with those amenities which cannot otherwise be provided by public assistance or entitlements or other available sources. Expenditures may include payment of the funeral and burial costs of the beneficiary. The designated trustee, in his* ***or her*** *discretion, may make payments from time to time for a person to accompany the beneficiary on vacations and outings and for the transportation of the beneficiary or of friends and relatives of the beneficiary to visit the beneficiary. Any undistributed income shall be added to the principal from time to time. As used in this section, the term "immediate family"

includes parents, children and siblings. The individuals to be beneficiaries of the charitable trust shall be recommended to the trustees by the department and others from time to time. The trustees and the department shall annually agree on the amount of charitable trust income to be used to provide benefits and the nature and type of benefits to be provided by or through the department for each identified beneficiary of the charitable trust. "Section A. Sections 77.530 and 89.120, RSMo 1994, are repealed and two new sections enacted in lieu thereof, to be known as sections 77.530 and 89.120, to read as follows:

*77.530. The council may make regulations and pass ordinances for the prevention of the introduction of contagious diseases into the city, and for the abatement of the same, and may make quarantine laws and enforce the same within five miles of the city. The council may purchase or condemn and hold for the city, within or without the city limits, within ten miles therefrom, all necessary lands for hospital purposes, waterworks, sewer carriage and outfall, and erect, establish and regulate hospitals, workhouses, poorhouses, **police stations, fire stations** and provide for the government and support of the same, and make regulations to secure the general health of the city, and to prevent and remove nuisances; provided, however, that the condemnation of any property outside of the city limits shall be regulated in all respects as the condemnation of property for railroad purposes is regulated by law; and provided further, that the police jurisdiction of the city*

Further amend the title and enacting clause accordingly.

Senate Amendment No. 5

AMEND Senate Committee Substitute for House Bill No. 1352, Page 1, Section 89.120, Line 1, by inserting immediately before all of said line the following:

*"71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town, or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town, or village as provided in this section. The term "contiguous and compact" does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. **The term "contiguous and compact" does not prohibit voluntary annexations under this section merely because such voluntary annexation would create an island of unincorporated area with the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village.** Notwithstanding the provisions of this section, the governing body of any city, town, or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village.*

2. (1) When a verified petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, is presented to the governing body of the city, town, or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in newspapers of general circulation qualified to publish legal matters.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation. If, after holding the hearing, the governing body of the city, town, or village determines that the annexation is reasonable and necessary to the proper development of the city, town, or village, and the city, town, or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town, or village not later than fourteen days after the public hearing by at least two percent of the qualified voters of the city, town, or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town, or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's town's, or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town, or village shall cause three certified copies of the same to be filed with the clerk of the county wherein the city, town, or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town, or village as so extended.".

Senate Amendment No. 6

AMEND Senate Committee Substitute for House Bill No. 1352, Page 1, Section A, Line 2, by inserting immediately after all of said line the following:

*"**67.399. 1. The governing body of any municipality may, by ordinance, establish a semiannual registration fee not to exceed two hundred dollars which shall be charged to the owner of any parcel of residential property improved by a residential structure, or commercial property improved by a structure containing multiple dwelling units, that is vacant, has been vacant for at least six months, and is characterized by violations of applicable housing codes established by such municipality.***

2. The municipality shall designate a municipal officer to investigate any property that may be subject to the registration fee. The officer shall report his findings and recommendations, and shall determine whether any such property shall be subject to the registration fee. Within five business days, the clerk of the municipality shall notify by mail the owners of property on which the registration fee has been levied at their last known address according to the records of the city and the county. The property owner shall have the right to appeal the decision of the office to the municipal court within thirty days of such notification. Absent the existence of any valid appeal or request for reconsideration pursuant to subsection 3 of this section, the registration fee shall begin to accrue on the beginning of the second calendar quarter after the decision of the municipal officer.

3. Within thirty days of the municipality making such notification, the property owner may complete any improvements to the property that may be necessary to revoke the levy of the registration fee, and then may request a reinspection of the property and a reconsideration of the levy of the registration fee by the municipality. If the municipal officer revokes the registration fee, no such assessment shall be made and the matter shall be considered closed. If the municipal officer affirms the assessment of the registration fee, the property owner shall have the right to appeal the reconsideration decision of the municipal officer to the municipal court within thirty days of such decision. Absent the existence of any valid appeal to the municipal court or other court of competent jurisdiction, the registration fee shall begin to accrue on the beginning of the second calendar quarter after the reconsideration decision of the municipal governing body.

4. The municipal governing body shall establish by ordinance procedures for payment of the registration fee and penalties for delinquent payments of such fees. Any registration fees which are delinquent for a period of one year shall become a lien on the property and shall be subject to foreclosure proceedings in the same manner as delinquent real property taxes. The owner of the property against which the assessment was originally made shall be able to redeem the property only by presenting evidence that the violations of the applicable housing code cited by the municipal officers have been cured and presenting payment of all registration fees and penalties. Upon bona fide sale of the property to an unrelated party said lien shall be considered released and the delinquent registration fee forgiven.*"; and*

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

With Senate Amendment No. 1 and Senate Amendment No. 2

Senate Amendment No. 1

AMEND Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 977 & 1608, Page 1, In the Title, Line 4, by inserting after the word "abatement" the words "and rehabilitation"; and

Further amend said bill, Page 1, Section A, Line 6, by inserting after all of said line the following:

*"**67.399. 1. The governing body of any municipality contained wholly or partially within a county with a population of over six hundred thousand and less than nine hundred thousand may adopt an ordinance as provided in this section. The ordinance may establish a semiannual registration fee not to exceed two hundred dollars which shall be charged to the owner of any parcel of residential property improved by a residential structure, or commercial property improved by a structure containing multiple dwelling units, that is vacant, has been vacant for at least six months, and is characterized by violations of applicable housing codes established by such municipality.***

2. The municipality shall designate a municipal officer to investigate any property that may be subject to the registration fee. The officer shall report his findings and recommendations, and shall determine whether any such property shall be subject to the registration fee. Within five business days, the clerk of the municipality shall notify by mail the owners of property on which the registration fee has been levied at their last known address according to the records of the city and the county. The property owner shall have the right to appeal the decision of the office to the municipal court within thirty days of such notification. Absent the existence of any valid appeal or request for reconsideration pursuant to subsection 3 of this section, the registration fee shall begin to accrue on the beginning of the second calendar quarter after the decision of the municipal officer.

3. Within thirty days of the municipality making such notification, the property owner may complete any improvements to the property that may be necessary to revoke the levy of the registration fee, and then may request a reinspection of the property and a reconsideration of the levy of the registration fee by the municipality. If the municipal officer revokes the registration fee, no such assessment shall be made and the matter shall be considered closed. If the municipal officer affirms the assessment of the registration fee, the property owner shall have the right to appeal the reconsideration decision of the municipal officer to the

municipal court within thirty days of such decision. Absent the existence of any valid appeal to the municipal court or other court of competent jurisdiction, the registration fee shall begin to accrue on the beginning of the second calendar quarter after the reconsideration decision of the municipal governing body.

4. The municipal governing body shall establish by ordinance procedures for payment of the registration fee and penalties for delinquent payments of such fees. Any registration fees which are delinquent for a period of one year shall become a lien on the property and shall be subject to foreclosure proceedings in the same manner as delinquent real property taxes. The owner of the property against which the assessment was originally made shall be able to redeem the property only by presenting evidence that the violations of the applicable housing code cited by the municipal officers have been cured and presenting payment of all registration fees and penalties. Upon bona fide sale of the property to an unrelated party said lien shall be considered released and the delinquent registration fee forgiven.*"; and*

Further amend said bill, Page 2, Section 82.1025, Line 19, by inserting immediately after all of said line the following:

agreement as to installment payments shall have been made.

2. So long as such installments be paid according to the terms of the contract, the said six months waiting period shall be extended, but if any installment be not paid when due, the extension of said waiting period shall be ended without notice, and the real estate shall forthwith be advertised for sale or included in the next notice of sheriff's foreclosure sale.

3. No redemption contracts may be used under this section for residential property which has been vacant for at least six months in any municipality contained wholly or partially within a county with a population of over six hundred thousand and less than nine hundred thousand.

141.550. 1. The sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution except as otherwise provided in sections 141.210 to 141.810, and provided that such sale need not occur during the term of court or while the court is in session.

(1) The sale shall be held on the day for which it is advertised, between the hours of nine o'clock a.m. and five o'clock p.m. and continued day to day thereafter to satisfy the judgment as to each respective parcel of real estate sold;

(2) The sale shall be conducted publicly, by auction, for ready money. The highest bidder shall be the purchaser unless the highest bid is less than the full amount of all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due thereon. No person shall be eligible to bid at the time of the sale if that person is the owner of any parcel of real estate in the county which is affected by a tax bill which has been delinquent for more than six months.

[2.] ***3.*** *Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject to the lien thereon, if any, of the United States of America.*

[3.] ***4.*** *The collector shall advance the sums necessary to pay for the publication of all advertisements required by sections 141.210 to 141.810 and shall be allowed credit therefor in his accounts with the county. He shall give credit in such accounts for all such advances recovered by him. Such expenses of publication shall be apportioned pro rata among and taxed as costs against the respective parcels of real estate described in the judgment; provided, however, that none of the costs herein enumerated, including the costs of publication, shall constitute any lien upon the real estate after such sale."; and*

Further amend said bill, Page 10, Section 441.643, Line 4, by inserting immediately after all of said line the following:

4. The court shall stay any ruling on the organization's prayer for a sheriff's deed until the one-year period has expired.

6. The organization may file a motion for sheriff's deed in place of a petition for judicial deed under section 447.640.

Within five working days after receiving a plan of correction regarding a violation of a class I standard and within ten working days after receiving a plan of correction regarding a violation of a class II or III standard, the department shall give its written approval or rejection of the plan. If there was a violation of any class I standard, immediate corrective action shall be taken by the operator or administrator and a written plan of correction shall be submitted to the department. The department shall give its written approval or rejection of the plan and if the plan is acceptable, a reinspection shall be conducted within twenty calendar days of the exit interview to determine if deficiencies have been corrected. If there was a violation of any class II standard and the plan of correction is acceptable, an unannounced reinspection shall be conducted between forty and ninety calendar days from the date of the exit conference to determine the status of all previously cited deficiencies. If there was a violation of class III standards sufficient to establish that the facility was not in substantial compliance, an unannounced reinspection shall be conducted within one hundred twenty days of the exit interview to determine the status of previously identified deficiencies.

3. If, following the reinspection, the facility is found not in substantial compliance with sections 198.003 to 198.096 and the standards established thereunder or the operator is not correcting the noncompliance in accordance with the approved plan of correction, the department shall issue a notice of noncompliance, which shall be sent by certified mail or other delivery service that provides a dated receipt of delivery to each person disclosed to be an owner or operator of the facility, according to the most recent information or documents on file with the department.

4. The notice of noncompliance shall inform the operator or administrator that the department may seek the imposition of any of the sanctions and remedies provided for in section 198.067, or any other action authorized by law.

(2) Periodically evaluate the performance of the inspectors or surveyors regionally and statewide in order to identify any deviations or inconsistencies in regulation application. At a minimum, the Missouri on-site surveyor evaluation process and the number and type of actions overturned by the informal dispute resolution process and formal appeal shall be used in the evaluation. Based on this evaluation, the department shall develop standards and a retraining process for the region, state or individual inspector or surveyor, as needed; and

(3) With the full cooperation of and in conjunction with the department of health, evaluate the implementation and compliance of the provisions of subdivision (3) of subsection 1 of section 198.012 in which rules, requirements, regulations and standards pursuant to section 197.080, RSMo, for residential care facilities II, intermediate care facilities and skilled nursing facilities attached to an acute care hospital are consistent with the intent of chapter 198.

The provisions of section 198.026 notwithstanding, whenever a duly authorized representative of the department finds upon inspection of a licensed facility, and the director of the department finds upon review, that the facility or the operator is not in substantial compliance with a standard or standards the violations of which would present either an imminent danger to the health, safety or welfare of any resident or a substantial probability that death or serious physical harm would result and which is not immediately corrected, the department shall:

(1) Give immediate written notice of the noncompliance to the operator, administrator or person managing or supervising the conduct of the facility at the time the noncompliance is found;

(2) Make public the fact that a notice of noncompliance has been issued to the facility. ***In cases of immediate jeopardy,*** *copies of the notice shall be sent to appropriate hospitals and social service agencies;*

COMMITTEE REPORTS

***Committee on Agriculture**, Chairman Leake reporting:*

*Mr. Speaker: Your Committee on Agriculture, to which was referred **HCR 32**, begs leave to report it has examined the same and recommends that it **Do Pass.***

House Concurrent Resolution No. 32

WHEREAS, national agricultural policies continue to focus upon a concentration of assets and wealth into larger farms and agribusiness firms, which has resulted in a reduction of over 300,000 farmers since 1979 and resulted in four large firms controlling over eighty percent of the beef market; and

WHEREAS, the United States Department of Agriculture's National Commission on Small Farms discovered that approximately ninety-four percent of the nation's farms are small farms, but such farms only average a net cash income of $23,159 and receive forty-one percent of all farm receipts; and

WHEREAS, due to the shift in profits from the production of undifferentiated raw commodities to the processing and packaging of market food, the portion of agricultural economy received by farmers has decreased from twenty-one to five percent since 1910; and

WHEREAS, it is critical to recognize the importance of small farms and to cultivate the strength of such institutions to control the future composition of the agricultural community; and

WHEREAS, small farms must be encouraged to retain a competitive advantage through a framework of supportive, responsible government and private initiatives including, but not limited to, research, extension, expansion of market opportunities and financial programs; and

WHEREAS, public policies need to be formulated to further encourage the acceleration of the development of farms owned and operated by minority and beginning farmers, including the development of farmer-owned, value-added cooperatives and farm-based businesses where profits flow to and within the community where such farmers reside; and

WHEREAS, that agricultural technologies are requiring an increasing amount of investment capital that is difficult for the average farmer to accrue or borrow:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives, Eighty-ninth General

Assembly, the Senate concurring therein, to hereby establish the "Joint Interim Committee on Small Farms and Value-added Agriculture Programs" to be composed of ten members. The members shall consist of five representatives appointed by the Speaker of the House of Representatives and five senators appointed by the President pro tem of the Senate, with no more than three from each house being members of the same political party and shall be authorized to meet during the Interim of the Eighty-ninth General Assembly, Second Regular Session; and

BE IT FURTHER RESOLVED that the committee may solicit any input and information necessary to fulfill its obligations from the Department of Agriculture, the Department of Economic Development and citizens groups; and

BE IT FURTHER RESOLVED that the Joint Interim Committee on Small Farms and Value-added Agriculture Programs shall be formed to develop a strategy to ensure the continued viability of small farms, including specific measures the public, nonprofit and private sectors can take to enhance the economic livelihood of small farms; and

BE IT FURTHER RESOLVED that the actual and necessary expenses of the committee members and legislative staff necessary to complete its study shall be paid from the appropriate fund of each House; and

BE IT FURTHER RESOLVED that the committee shall prepare a report, together with its recommendations for any legislative action it deems necessary for submission to the Governor and General Assembly by January 5, 1999, and then shall be dissolved; and

BE IT FURTHER RESOLVED that the staff of House Research and Senate Research and the Committee on Legislative Research shall provide such legal, research, clerical, technical and bill drafting services as the committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the Chief Clerk be instructed to prepare properly inscribed copies of this resolution to be delivered to the Governor and the Director of the Department of Agriculture.

***Committee on Miscellaneous Bills and Resolutions**, Chairman Foley reporting:*

*Mr. Speaker: Your Committee on Miscellaneous Bills and Resolutions, to which was referred **HCR 31**, begs leave to report it has examined the same and recommends that it **Do Pass.***

CONSTITUTIONAL OBJECTION

IN THE SECOND REGULAR SESSION OF THE

EIGHTY-NINTH GENERAL ASSEMBLY

OF THE STATE OF MISSOURI

POINT OF ORDER

Comes now, Representative Louis Ford, duly elected member of the Missouri House of Representatives from the Fifty-eighth Legislative District, to present the following Point of Order with respect to Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 781.

I believe this bill is constitutionally infirm for the following reasons:

1. CCS/HS/HCS/SS/SCS for Senate Bill No. 781 violates Article I, Section 2 of the Missouri Constitution by denying equal protection under the laws of Missouri by treating Missouri children differently based on the school district in which they reside.

2. CCS/HS/HCS/SS/SCS for Senate Bill No. 781 violates Article I, Section 10 of the Missouri Constitution by denying due process to the taxpayers of the City of St. Louis by providing that such persons may be taxed under certain circumstances without the approval of the residents of the City of St. Louis.

3. CCS/HS/HCS/SS/SCS for Senate Bill No. 781 violates Article II, Section 1 of the Missouri Constitution, the Separation of Powers, by allowing the Attorney General, a member of the executive branch of government, to determine the effective date of certain sections of law. Enacting laws and providing for the effective date of such laws is strictly a legislative power.

4. CCS/HS/HCS/SS/SCS for Senate Bill No. 781 violates Article X, Section 18(e) of the Missouri Constitution. Section 162.1100 of the Truly Agreed and Finally Passed bill provides a contingency where the property or sales tax in the City of St. Louis could be increased without a vote of the people.

Accordingly, I conclude that Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 781 as Truly Agreed and Finally Passed by the members of the Eighty-Ninth General Assembly is unconstitutional for the above-stated reasons and should not be signed.

Respectfully submitted,

/s/ Louis Ford

VETO SESSION

Second Regular Session, 89th General Assembly

FIRST DAY, Wednesday, September 16, 1998

Speaker Gaw in the Chair.

Prayer by Reverend Cheryl L. Tatham.

"I will sing of loyalty and of justice, to you, O Lord, I will sing." (Psalm 101:1)

In this one brief moment of stillness, O God of the Universe, we set aside all thoughts and opinions and focus our attention on You. Let us reflect on loyalty and justice -- not to any particular party, person or constituency, but only to You -- Creator and Sustainer of all that is.

God of Mercy, at this time in our nation's history, we are again, as we have been in years past, confronted with and must confess the reality of our own human frailties and failings. Help us recognize our utter dependence upon Your grace and find the strength and the courage to be grace-filled toward others.

In facing the task the Members of this House have at hand, give them guidance and discernment. Allow them clarity of thought, freedom from prejudice, and release from pettiness so that the decisions made will be as fair as is humanly possible. O Lord, we ask Your continuing guidance and blessing on those whose faces will no longer be seen in these halls, but whose presence will be felt for years to come. In whatever circumstances life may lead them beyond this place, continue to endow them with Your grace and mercy. We give thanks for their service to the people of Missouri through their representation here.

We now commit our lives, this day and its precedings, into Your keeping. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Page for the Day, to serve without compensation: Scott Grim.

Representative Backer suggested the absence of a quorum.

MESSAGES FROM THE GOVERNOR

OFFICE OF THE GOVERNOR

State of Missouri

Jefferson City

June 19, 1998

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 1003 entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Higher Education and the several divisions, programs, and institutions of higher education included therein to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds, for the period beginning July 1, 1998 and ending June 30, 1999.

Section 3.090

I hereby veto $110,000 for the Missouri Alternative and Renewable Energy Technology Center at Crowder College. Crowder College will receive an increase of approximately $908,828, or 24.5 percent. This program was neither requested by the institution nor recommended by the Coordinating Board for Higher Education, and was not part of my budget recommendation. It is not appropriate to single out individual campuses for ongoing support of special projections without review and approval by the Coordinating Board. Such review is essential to ensure that state resources are allocated in the most cost-effective manner.

Missouri Alternative and Renewable Energy Technology Center by $110,000 from $110,000 to $0 General Revenue Fund.

From $134,174,407 to $134,064,407 in total for the section.

On June 19, 1998 I approved said Conference Committee Substitute for House Bill No. 1003, except for those items specifically vetoed and not approved.

Respectfully submitted,

/s/ Mel Carnahan

Governor

June 19, 1998

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 1006 entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Agriculture, Department of Natural Resources, Department of Conservation, and the several divisions and programs thereof and for the expenses, grants, refunds, distributions, and capital improvements projects involving the repair, replacement and maintenance of state divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds, for the period beginning July 1, 1998 and ending June 30, 1999.

Section 6.320

I hereby veto $1,400,000 from the Division of Environmental Quality Operations Program to correct a technical error in the appropriations bill. This money was added erroneously to the program's expense and equipment appropriation and is unnecessary because a transfer of $1,400,000 to the water permits fee fund was also provided. The transfer and the program's existing appropriation authority provide the necessary funding support for the water pollution control program.

Expense and Equipment by $1,400,00 from $2,533,248 to $1,133,248.

From $8,052,553 to $6,652,553 in total from General Revenue Fund.

From $44,825,302 to $43,425,302 in total for the section.

On June 19, 1998 I approved said Conference Committee Substitute for House Bill No. 1006, except for those items specifically vetoed and not approved.

Respectfully submitted,

/s/ Mel Carnahan

Governor

June 19, 1998

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 1008 entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Public Safety, and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 1998 and ending June 30, 1999.

Section 8.095

I hereby veto $18,379 for one additional clerk and related equipment for the Highway Patrol Troop D satellite communication operation in Carthage. While numerous dispatch centers were required in the past to provide statewide coverage, new technology permits efficient and effective radio communication through consolidated facilities. Additional staff at the Carthage station are unnecessary when services can be provided just as effectively through the Troop D Headquarters in Springfield.

Personal Service by $14,856 from $43,938,975 to $43,924,119 State Highways and Transportation Department Fund.

Expense and Equipment by $3,523 from $4,921,134 to $4,917,611 State Highways and Transportation Department Fund.

From $48,860,109 to $48,841,730 in total from the State Highways and Transportation Department Fund.

From $61,699,989 to $61,681,610 in total for the section.

Section 8.135

I hereby veto $43,549 for expense and equipment for four additional Water Patrol Officers. This amount is not necessary to adequately equip these officers, and the bill after veto still provides $121,077 per new officer. Since Fiscal Year 1993, the Water Patrol has been appropriated 17 additional officers, a 24 percent increase. In addition, the Water Patrol received Fiscal Year 1999 funding to hire three support staff so that officers can move from behind the desk to water patrol duty.

Expense and Equipment by $43,549 from $2,007,551 to $1,964,002 General Revenue Fund.

From $5,677,923 to $5,634,374 in total from General Revenue Fund.

From $6,771,314 to $6,727,765 in total for the section.

On June 19, 1998, I approved said Conference Committee Substitute for House Bill No. 1008, except for those items specifically vetoed and not approved.

Respectfully submitted,

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 1009 entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Corrections and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 1998 and ending June 30, 1999.

Section 9.400

I hereby veto $150,000 general revenue for statewide transportation contracts for inmate families. These funds were not part of my original budget and were not requested by the Department of Corrections. The funding provided is inadequate to address the statewide scope of the intended program and it is questionable whether this is an appropriate use of state funds. The Department of Corrections will continue to work with volunteer organizations to facilitate visits for inmates.

For the purpose of funding statewide transportation contracts with non-profit organizations by $150,000 from $150,000 to $0 from General Revenue Fund.

From $4,528,456 to $4,378,456 in total for the section.

On June 19, 1998, I approved said Conference Committee Substitute for House Bill No. 1009, except for those items specifically vetoed and not approved.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 1012 entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Chief Executive's Office and Mansion, Lieutenant Governor, Secretary of State, State Auditor, State Treasurer, Attorney General, Missouri Prosecuting Attorneys and Circuit Attorneys Retirement System, and the Judiciary and the Office of the State Public Defender, and the several divisions and programs thereof, and for the payment of salaries and mileage of members of the State Senate and the House of Representatives and Contingent expenses of the General Assembly, including salaries and expenses of elective and appointive officers and necessary capital improvements expenditures; for salaries and expenses of members and employees and other necessary operating expenses of the Missouri Commission on Interstate Cooperation, the Committee on Legislative Research, the Committee on Public Employee Retirement, the Committee on Administrative Rules, the Joint Committee on Capital Improvements Oversight and the Joint Committee on Economic Development; and for the expenses of the interim committees established by the General Assembly, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 1998 and ending June 30, 1999.

Section 12.305

I hereby veto $122,955 general revenue for a public defender office in the 40th Judicial Circuit. The caseload in both Newton and McDonald counties declined last year and the circuit is adequately served by current offices in Carthage and Monett. In addition, the funding provided is not sufficient to staff and equip an office.

Personal Service by $81,125 from $17,731,327 to $17,650,202.

Expense and Equipment by $41,830 from $3,942,658 to $3,900,828.

From $23,613,461 to $23,490,506 in total from General Revenue Fund.

From $23,662,464 to $23,539,509 in total for the section.

Herewith I return to you House Bill No. 1020 entitled:

"AN ACT"

To appropriate money for planning, grants, equipment, lease purchase payments and for capital improvements, including but not limited to additions, renovation, new structures and land improvements, and to transfer money among certain funds.

Section 20.005

I hereby veto $20,000 general revenue for design, renovation, construction, and improvements of facilities and classrooms at the Franklin Technology Center in Joplin. This project was not part of my original budget, nor was it recommended by the Department of Elementary and Secondary Education. A competitive process exists within the Department of Elementary and Secondary Education, which should be used for such needs. Also, local matching funds must be provided on a 50/50 state/local basis in order to be eligible for state funds. Available information indicates that no local matching funds have been offered for this project.

For facilities and classrooms at the Franklin Technology Center in Joplin by $20,000 from $20,000 to $0.

From $3,696,593 to $3,676,593 in total from General Revenue Fund.

From $6,696,593 to $6,676,593 in total for the section.

Section 20.101

I hereby veto $35,000 general revenue for planning and development of a clean-room technology center at the Crowder Area Vocational Technology Center and $40,000 general revenue for development of clean-room technology in Webb City, which is not an area vocational school. These projects were not part of my original budget, nor were they recommended by the Department of Elementary and Secondary Education. These projects can apply for customized training grants. A competitive process exists within the Department of Elementary and Secondary Education, which should be used to prioritize such needs.

Said section is vetoed in its entirety from $75,000 to $0 in total from General Revenue Fund.

From $75,000 to $0 in total for the section.

On June 19, 1998, I approved said Senate Committee Substitute for House Committee Substitute for House Bill No. 1020, except for those items specifically vetoed and not approved.

Herewith I return to you Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1434 entitled:

"AN ACT"

To repeal section 301.177, RSMo 1994, sections 301.025, 301.129, 301.131, 301.140, 301.145, 301.441, 301.443, 301.444, 301.445, 301.447, 301.448, 301.449, 301.451, 301.453, 301.454, 301.456, 301.457, 301.458, 301.459, 301.461, 301.462, 301.463, 301.464, 301.465 and 301.466, RSMo Supp. 1997, sections 301.130 and 301.144, as enacted by conference committee substitute for house substitute for house committee substitute for senate bill no. 70 of the first regular session of the eighty-eighth general assembly, and sections 301.130 and 310.144, as enacted by house committee substitute for senate substitute for senate bill no. 3 of the first regular session of the eighty-eighth general assembly, relating to motor vehicle license plates, and to enact in lieu thereof forty-five new sections relating to the same subject, with an emergency clause.

Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1434 is a motor vehicle special license plate bill. The bill establishes an Advisory Committee for the purpose of developing guidelines for the issuance of specialized motor vehicle license plates. In addition, it creates 13 new license plate types and establishes consistency among the fees charged for various types of plates.

However, I disapprove of Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1434. A problematic portion of this bill requires a complete redesign and reissue of all license plates. This will cost the State of Missouri $9.5 million dollars over the next two fiscal years.

The State of Missouri just accomplished a major effort within the last two years to redesign and reissue the state's license plates. This large expenditure of state funds cannot be justified.

For the above and foregoing reasons for disapproval, I am returning Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1434 without my approval.

"AN ACT"

To repeal sections 70.686, 70.697, 86.390, 86.440, 86.441, 86.483, 86.680, 86.750, 104.352 and 104.370, RSMo 1994, and sections 86.251, 86.253, 86.256, 86.260, 86.280, 86.283, 86.287, 86.447, 86.620, 86.672, 86.810, 87.371, 104.374, and 104.612, RSMo Supp. 1997, and section 104.348, as truly agreed to and finally passed by the second regular session of the eighty-ninth general assembly in house committee substitute for senate bill no. 841, relating to certain retirement systems, and to enact in lieu thereof twenty-seven new sections relating to the same subject, with an emergency clause for certain sections.

I disapprove of Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 1455 & 1463. My reasons for disapproval are as follows:

The Missouri constitution, and the statutes of this state as passed by the General Assembly, require that an actuarial cost analysis of a substantial change in retirement benefits be completed and that such analysis be made available to the public for five days prior to the taking of any final action on the proposed change.

The change relevant to the retirement benefits of the General Assembly was a "substantial proposed change" and was subject to the procedure established by the General Assembly pursuant to the Constitution of the State of Missouri.

The most relevant statutory section the General Assembly adopted when they devised the required process for any substantial change in plan benefits in Section 105.685, which provides that:

"**A substantial proposed change in plan benefits shall not become effective until such time as the provisions of sections 105.660 to 105.685 are complied with.**"

As such, compliance with the procedure established by the General Assembly pursuant to the Constitution of the State of Missouri becomes the essential "condition precedent" to the effectiveness of the substantial change in a retirement benefit.

The Joint Committee on Public Employee Retirement shares this view. The fiscal note prepared for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 1455 & 1463, dated May 13, 1998, the date this bill was Truly Agreed and Finally Passed, stated in pertinent part:

"Officials of the Joint Committee on Public Employee Retirement have reviewed this proposal and have determined that it represents a "substantial proposed change" in future plan benefits as defined in section 105.660(5), RSMo. Therefore, **an actuarial cost statement is required to be provided *prior to final action by either legislative body or committee thereof*.**"

The actuarial analysis of the cost of changes to the retirement benefits of the members of the General Assembly was never done. Because the analysis was never done, it was never available to the public for five days preceding final action on the bill. The passage of this bill failed to comply with the procedures required by the Constitution and other laws of Missouri.

In addition to procedural defects, it has also become clear that the technical language of the bill did not conform to the intent of many legislators to pass a reasonable and appropriate pension bill.

Several legislators of both parties have advised me that they did not intend the cost of living provisions of the bill relating to legislative retirement to be retroactive. They had intended them to be prospective only. They have urged me to veto the bill if it is determined the COLA increases would be retroactive in application. Technical analysis by my staff has confirmed this retroactive application.

Therefore, as a result of the failure to comply with the provisions of sections 105.660-105.685, and with the encouragement of those members of the General Assembly who have advised me that the retroactive effect of this bill was not their intent, I must disapprove and veto this bill.

There are good initiatives contained in this bill, most importantly the increase in benefits for the widows and the dependents of policemen and those changes to benefit the firemen's retirement system. The legislature should revisit next year the provisions of this bill dealing with widows and dependents of police officers and changes for the firemen's pension system.

For all of the above stated reasons for disapproval, I am returning Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 1455 & 1463 without my approval.

Respectfully submitted,

Herewith I return to you House Bill No. 1744 entitled:

"AN ACT"

To repeal section 513.430, RSMo 1994, relating to property exempt from attachment, and to enact in lieu thereof one new section relating to the same subject.

I disapprove of House Bill No. 1744. My reasons for disapproval are as follows:

While I support the exemption of Roth IRA's from attachment and execution, the language of the bill does not make it clear and unambiguous that the exemption shall not apply to actions to collect child support. While it is necessary to protect the retirement benefits of the individual, the individual's responsibility to financially support the individual's children cannot be ignored.

For all of the above stated reasons for disapproval, I am returning House Bill No. 1744 without my approval.

Respectfully submitted,

Herewith I return to you Senate Committee Substitute for House Bill No. 1880 entitled:

"AN ACT"

To repeal section 301.140, RSMo Supp. 1997, and to enact in lieu thereof two new sections relating to motor vehicles, with an effective date for a certain section.

I disapprove of Senate Committee Substitute for House Bill No. 1880. My reasons for disapproval are as follows:

The language in the bill is ambiguous and vague as to its meaning and purpose. The words and phrases "positioning", "highest degree of care", "authorized motor vehicle dealer" and "authorized motor vehicle repair shop" are not defined and create an ambiguity as to the bill's application.

For all of the above stated reasons for disapproval, I am returning Senate Committee Substitute for House Bill No. 1880 without my approval.

Herewith I return to you House Bill No. 1928 entitled:

"AN ACT"

To repeal section 701.031, RSMo 1994, relating to disposal of sewage, and to enact in lieu thereof one new section relating to the same subject.

I disapprove of House Bill No. 1928. My reasons for disapproval are as follows:

Due to ambiguous language the bill risks unintentionally increasing health risks to occupants of residential lots because it may increase the number of unregulated individual sewage systems on residential acreages.

For all of the above stated reasons for disapproval, I am returning House Bill No. 1928 without my approval.

Prayer by Representative Betty Thompson.

Our Father, God as we gather here this morning to prepare for another days journey to deal with the business of our great state, in hopes that this second 89th General Assembly will be one of commitment, dedication, and decency and trust.
